A Show Of Hands:

A Show of Hands Ileana Parvu, 2024-12-13 In contrast to the divide between conception and execution advocated by Anglo American artists in the second half of the 1960s this book reappraises conceptual art by examining it from the perspective of craft The emphasis on craft shifts the focus from the Western art system to its margins where creators were relegated to the status of mere artisans in the colonial context on the pretext that attaining that of artists was beyond their reach From this peripheral point of view the book shows that work carried out with artisanal means can lead to conceptual practice Moreover this shift in perspective provides a new understanding of several positions within conceptualism which ultimately appears as an ongoing reflection on the role of the hands making and craft Look inside [A Show of Hands for the Republic](#) Jill Maciak Walshaw, 2014 A fresh perspective on rural responses to the French Revolution using sedition investigations to reveal how villagers took their place on the political stage *The Captain Asks for a Show of Hands* Nick Flynn, 2015-06-02 New poetry by the acclaimed writer Nick Flynn author of *Another Bullshit Night in Suck City* and *The Ticking Is the Bomb* electrocution no the boy stood in the hot hot room stammering I did stammering I did stammering I did stammering I did stammering everything you say I did I did from Fire The Captain Asks for a Show of Hands is Nick Flynn's first new poetry collection in nearly a decade What begins as a meditation on love and the body soon breaks down into a collage of voices culled from media reports childhood memories testimonies from Abu Ghraib detainees passages from documentary films overheard conversations and scraps of poems and song only to reassemble with a gathering sonic force It is as if all the noise that fills our days were a storm yet at the center is a quiet place but to get there you must first pass through the storm with eyes wide open singing Each poem becomes a hallucinatory shifting experience through jump cut lyric persuasion and deadpan utterance This is an emotional resilient response to some of the essential issues of our day by one of America's riskiest and most innovative writers **Corporations Law in Australia** Roman Tomasic, Stephen Bottomley, Rob McQueen, 2002 The second edition of this text incorporates the latest changes to Australian corporations law up to and including the Corporations Act 2001 and the Financial Services Reform Act 2001 Like the 1st edition this text is written particularly for undergraduate law students The book introduces students to Australian corporate law in a way that is informed by theory and policy Throughout the book the authors draw upon materials from fields such as economics sociology and politics to provide a contextually relevant account of modern corporate law Ample references and pointers are provided to policy debates contemporary issues and to further reading The authors bring considerable experience in interdisciplinary corporate law teaching and research The authors aim to stimulate the reader into further critical analysis of corporate law issues and to equip them with the capacity to respond in an informed way to future changes and developments The book also encourages the reader to independently pursue further research in areas of corporate law Each of the 25 chapters has been revised and updated The book deals with Introduction the history of corporate law and key themes and perspectives

Show of Hands Anthony McCarten, 2009-02-17 When a desperate car dealer advertises a competition with a simple premise that each contestant must keep one hand on a car at all times and the last one standing will drive away the owner of a new Land Rover he sets in motion a chain of events that brings together an oddball group of individuals each with a desperate need to win For the contestants this publicity gimmick represents a once in a lifetime opportunity for a fresh start a chance to break records and to prove themselves in an unlikely test of endurance It pits the patience of an elderly night watchman against the youthful vigor and carefully cultivated stamina of a high school track and field star It sets a single mother who spends her life on her feet against a down on his luck Mensa member who tells anyone who will listen that he's got the whole thing figured out As the days and nights unavoidably carry on and big talk and clever strategies backfire the contestants' true colors come through in unexpected twists At once lyrical and suspenseful and by turns poignant and hilarious *Show of Hands* and its all too human characters are ultimately unforgettable
