A Single Pebble:

A Single Pebble Bonnie Christensen, 2013-10-15 In 9th century China a little girl sends a small jade pebble to travel with her father along the Silk Road The pebble passes from his hand all the way to the Republic of Venice the end of the Silk Road where a boy cherishes it and sees the value of this gift from a girl at the end of the road A Neal Porter Book **A**

Single Pebble John Hersey, 2019-06-26 A young American engineer sent to China to inspect the unruly Yangtze River travels up through the river's gorges searching for dam sites Pulled on a junk hauled by forty odd trackers he is carried too into the settled ancient way of life of the people of the Yangtze until the interplay of his life with theirs comes to a dramatic climax

Fixing Landscape Corey Byrnes, 2019-01-15 In 1994 workers broke ground on China's Three Gorges Dam By its completion in 2012 the dam had transformed the ecology of the Yangzi River displaced over a million people and forever altered a landscape immortalized in centuries of literature and art The controversial history of the dam is well known what this book uncovers are its unexpected connections to the cultural traditions it seems to sever By reconsidering the dam in relation to the aesthetic history of the Three Gorges region over more than two millennia Fixing Landscape offers radically new ways of thinking about cultural and spatial production in contemporary China Corey Byrnes argues that this monumental feat of engineering can only be understood by confronting its status as a techno poetic act a form of landscaping indebted to both the technical knowledge of engineers and to the poetic legacies of the Gorges as cultural site Synthesizing methods drawn from premodern modern and contemporary Chinese studies as well as from critical geography art history and the environmental humanities Byrnes offers innovative readings of eighth century poetry paintings from the twelfth through twenty first centuries contemporary film nineteenth century British travelogues and Chinese and Western maps among other sources Fixing Landscape shows that premodern poetry and visual art have something urgent to tell us about a contemporary experiment in spatial production Poems and paintings may not build dams but Byrnes argues that the Three Gorges Dam would not exist as we know it without them *The Illustrative Practical Arithmetic by a Natural Method ...* George Augustus Walton, Electa Nobles Lincoln Walton, 1869 **The Illustrative Practical Arithmetic ...** George Augustus Walton, 1873
