A Sketch Of A Migrating Family To California In 1848:

A Sketch of a Migrating Family to California in 1848 Richard M. May, 198? A Sketch of a Migrating Family to California, 1848 Samuel May, 19?? *Genealogies Cataloged by the Library of Congress Since 1986* Library of Congress, 1991 The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress

A Way Across the Mountain Scott Stine, 2015-09-22 From July to November 1833 Joseph R Walker led a brigade of fifty eight fur trappers with two hundred horses and a year s provisions from the Rocky Mountains of Wyoming to the Pacific coast of central California Toward the end of their journey the Walker brigade crossed the Sierra Nevada becoming the first non Native people to traverse the range from east to west That crossing made long and brutal by bewildering terrain and deep snow is widely and rightly considered a milestone in the exploration of intermontane North America Following Walker s death in 1876 an alluring tale arose concerning his trans Sierran route In the course of the crossing goes the story Walker found himself on the northern rim of Yosemite Valley at the plungepoint of North America s tallest waterfall staring into the most awesome mountain chasm on the continent Over the decades since then this time honored tale has hardened to folklore Dozens of historical works have construed it as a towering moment in the opening of the West But in fact this tale of Yosemite s discovery has no basis or support in firsthand accounts of the 1833 Sierran crossing Moreover there is much in those accounts that contradicts Yosemite lore and much that points to a trans Sierran route well north of Yosemite Valley In *A Way Across the Mountain* Scott Stine reconstructs Walker s 1833 route over the Sierra Stine draws on his own intimate knowledge of the geomorphology hydrography biogeography and climate of the Sierra Nevada and Great Basin and employs the detailed travel narrative of the Walker brigade s field clerk Zenas Leonard Stine documents the inception growth and persistence of the Yosemite Myth and explores the extent to which that lore has overshadowed Walker s greatest discovery that the huge swath of continent between the Wasatch Front and the Sierran crest is hydrographically closed draining not to an ocean but to salty lakes and desert sands

Sierra Crossing Thomas Frederick Howard, 1998 Documents the building of the first roads over the Sierra Nevada in the 19th century in projects launched by emigrants former gold miners state government officials the War Department the Interior Department local politicians town businessmen stagecoach operators and other entrepreneurs eager to establish land routes between California and the rest of the country

Indians and Emigrants Michael L. Tate, 2014-08-04 In the first book to focus on relations between Indians and emigrants on the overland trails Michael L Tate shows that such encounters were far more often characterized by cooperation than by conflict Having combed hundreds of unpublished sources and Indian oral traditions Tate finds Indians and Anglo Americans continuously trading goods and news with each other and Indians providing various forms of assistance to overlanders Tate admits that both sides normally followed their own best interests and ethical standards which sometimes created distrust But

many acts of kindness by emigrants and by Indians can be attributed to simple human compassion Not until the mid 1850s did Plains tribes begin to see their independence and cultural traditions threatened by the flood of white travelers As buffalo herds dwindled and more Indians died from diseases brought by emigrants violent clashes between wagon trains and Indians became more frequent and the first Anglo Indian wars erupted on the plains Yet even in the 1860s Tate finds friendly encounters were still the rule Despite thousands of mutually beneficial exchanges between whites and Indians between 1840 and 1870 the image of Plains Indians as the overland pioneers worst enemies prevailed in American popular culture In explaining the persistence of that stereotype Tate seeks to dispel one of the West s oldest cultural misunderstandings

The Great Medicine Road, Part 1 Will Bagley, 2014 Between 1841 and 1866 more than 500 000 people followed trails to Oregon California and the Salt Lake Valley in one of the greatest mass migrations in American history This collection of travelers accounts of their journeys in the 1840s the first volume in a new series of trail narratives comprises excerpts from pioneer and missionary letters diaries journals and memoirs many previously unpublished accompanied by biographical information and historical background **Updating the Literary West**, 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of *LHAW* This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister **Gold Rush Saints** Kenneth N. Owens, 2005 Combines narrative history and firsthand Mormon accounts that cast light on the presence of Latter day Saints in California during the Gold Rush in the middle 1840s Reprint

A Sketch of a Migrating Family to California Richard M. May, 1848 Diary of overland wagon train journey led by Joseph Chiles from Missouri to California describing encounters with Indians and a meeting with Joseph R Walker Additional comments on San Francisco and San Jose Oct 1848 Dec 1849 and a few accounts 1849 1850 at end of volume With this typed

copy of the family record of Richard Martin May 3 l
