A Small Bequest:

Uncharted Waters Kenneth S Apfel, Michael J. Graetz, 2005-09-01 In the debate over Social Security reform most of the work on individual accounts has focused on how individuals would save and manage those accounts during their working lives *Uncharted Waters* goes further and addresses the often neglected questions about how and under what circumstances funds could be withdrawn from these accounts In *Uncharted Waters* a panel of recognized experts created a framework for determining how benefits might be paid if private accounts become a new part of the Social Security system or are created separate from Social Security This important volume analyzes the potential implications of different policy choices It considers the ramifications of payout rules for families at different stages of life particularly for economically disadvantaged groups The contributors also address how any new individual account program would fit with traditional Social Security employer based pensions and tax advantaged individual retirement savings 401 k s and IRAs As the debate over individual savings accounts rages *Uncharted Waters* offers a sound framework for informing public policy on both sides of the argument

use for private Bible study and sermon or worship application The most fruitful reading of the poems especially of those for which a Scriptural reference is given will come from a careful look at the relevant biblical texts This book is not presented as the work of a main stream poet for Prof Higgs has pursued his poetry writing as an avocation not a profession He has opted for clarity over artistic sophistication which may not commend him to contemporary critics and practitioners of poetic composition At the same time the author aspires to go beyond the kind of religious versification whose primary purpose is to convey a moral lesson through rhyming lines That is not an ignoble objective but it does not embrace a full participation in the linguistic complexity that characterizes serious poetry Dr Higgs seeks in his poems to combine the beauty of art with the beauty of Truth and thereby to stimulate fresh attention to who God is and how He works with the people of His creation The style of Probing Eyes is mainly free verse but with regular use of internal rhyme assonance and alliteration The reader may see reflected in this style Prof Higgs s admiration for the poetry of Gerard Manly Hopkins George Herbert John Donne and in conversational tone Robert Frost But above all the author hopes that readers find evidence of the influence of the Holy Spirit ad gloriam dei XXXXXXXX

Between Two Kings Lawrence Ellsworth,Alexandre Dumas,2021-07-06 For years d Artagnan shared his adventures with his three comrades Athos Porthos and Aramis but now in *Between Two Kings* the First Musketeer returns to the forefront This is truly d Artagnan s novel bringing to a dramatic climax the story that began when he first arrived in Paris thirty years earlier in *The Three Musketeers* This brand new translation of *Between Two Kings* immediately picks up the story and themes of *Blood Royal* where d Artagnan tries to thwart destiny by saving England s Charles I now he will be instrumental in the restoration of his son Charles II the first of the two kings of the title Disappointed in the irresolution of young Louis XIV d Artagnan takes a leave of absence from the King s Musketeers and ventures to England with a bold plan to hoist Charles II onto his throne a swashbuckling escapade in which he is unwittingly assisted by his old comrade Athos D Artagnan returns triumphant to France where he is recalled to service by the second king Louis XIV who is now finally ready to take full advantage of the extraordinary talents of his officer of musketeers This newly translated volume by Lawrence Ellsworth is the first volume of Alexandre Dumas s mega novel *Le Vicomte de Bragelonne* the epic finale to the Musketeers Cycle which will end with the justly famous *The Man in the Iron Mask* This marks the first significant new English translation of this series of novels in over a century
