Landlow's world almost anything can be bought or sold. She's the daughter of one of the three crime families controlling the black market for organ transplants. Because of an autoimmune disorder that causes her to bruise easily, Penny is considered too delicate to handle the family business or even to step foot outside their estate. All Penelope has ever wanted is independence until she's suddenly thrust into the dangerous world all alone, forced to stay one step ahead of her family's enemies. As she struggles to survive the power plays of rival crime families, she learns dreams come with casualties, betrayal hurts worse than bruises, and there's nothing she won't risk for the people she loves. Perfect for fans of Holly Black and Kimberly Derting, this first book in the stunning new *Once Upon a Crime Family* series from acclaimed author Tiffany Schmidt will leave readers breathless.

[Why Is A Microphone Like A Breath Mint?](#) Dalton Hooper, 2008-04-09 What makes the difference between an average speaker and an extraordinary speaker? You may be surprised at how simple it can be to make that leap. Dalton Hooper has been delivering presentations to audiences for over 30 years. During that time, he has accumulated a list of 10 rules for how to set oneself apart from the average humdrum speaker and be regarded as an extraordinary speaker. Dalton uses his trademark humor to present these ten rules by associating each one with a riddle. By using this approach, Dalton's presentation is entertaining, informative, and memorable.
