American Values in Transition Robert C. Bannister, 1972-01-01 *American Crisis: The Collapse of Christian Culture* William D. Howard, 2024-02-19 All Americans know we are in a state of cultural crisis but how did we get to this point It has been said if we seek an actual legal date for the fall of Judeo Christian culture in America it would be June 26 2015 the day the Supreme Court ruled that homosexual marriage was a constitutionally protected right But according to William D Howard the destruction of our country started well before that when states began changing laws and incorporating changes that had lasting repercussions on the culture as a whole In *American Crisis The Collapse of Christian Culture* Howard takes an in depth look at civilizations in the past provides insights on our current culture and warns of a future that can mean only the destruction of everything we hold dear But this book is not without hope Howard uses God s Word to show Christians how we can counter the social and political norms and fight for our country s moral political and social outlook As our moral high ground is being chipped away one corner at a time we need to take up the call to action and fight against the powers that seek our demise *Transitions in American Education* Donald Parkerson, Jo Ann Pakerson, 2014-03-05 This book is a concise social history of teaching from the colonial period to the present By revealing the words of teachers themselves it brings their stories to life Synthesizing decades of research on teaching it places important topics such as discipline in the classroom technology and cultural diversity within historical perspective **The Publishers' Trade List Annual** , 1978
