American Working Class History A Representative Bibliography:

American Working Class History Maurice F. Neufeld, Daniel J. Leab, Dorothy Swanson, 1983 **American Working Class History** Maurice F. Neufeld, Daniel J. Leab, Dorothy Swanson, 1983 United States History James Warren Oberly, 1995 *The Labor History Reader* Daniel J. Leab, 1985 The Labor History Reader celebrates the first quarter century of the premier journal in its field and provides the richest available source of contemporary thought on American labor history The result is not only a revealing look at the history of American labor but also a better understanding of our changing attitudes toward that history The list of authors in The Labor History Reader reads like an honor roll of the most distinguished labor historians in the United States The volume itself is excellent in chronological scope wide ranging in subjects treated and representative of the main currents of thought which stimulate the writing of American working class history today Maurice F Neufeld professor of labor and industrial relations Cornell University **A Guide to Sources of Information on the National Labor Relations Board** Gordon T. Law Jr., 2018-10-24 A concise history of the board in the U S from its inception in 1935 including an overview of current case law and a bibliographic essay of selected secondary literature about the board *Labor's Story in the United States* Philip Yale Nicholson, 2004 In this the first broad historical overview of labor in the United States in twenty years Philip Nicholson examines anew the questions the villains the heroes and the issues of work in America Unlike recent books that have covered labor in the twentieth century Labor s Story in the United States looks at the broad landscape of labor since before the Revolution In clear unpretentious language Philip Yale Nicholson considers American labor history from the perspective of institutions and people the rise of unions the struggles over slavery wages and child labor public and private responses to union organizing Throughout the book focuses on the integral relationship between the strength of labor and the growth of democracy painting a vivid picture of the strength of labor movements and how they helped make the United States what it is today Labor s Story in the United States will become an indispensable source for scholars and students Author note Philip Yale Nicholson is Professor of History at Nassau Community College and Adjunct Professor at the Cornell University School of Industrial and Labor Relations Long Island Extension He is the author of Who Do We Think We Are Race and Nation in the Modern World **Historical Dictionary of Organized Labor** J. C. Docherty, 2012-06-14 The Historical Dictionary of Organized Labor looks at the history of organized labor to see where it came from and where it has been This is done through a chronology an introductory essay appendixes a glossary of terms and an extensive bibliography The dictionary section Historical Dictionary of Organized Labor Sjaak van der Velden, 2021-04-22 From the start of its existence organized labor has been the voice of workers to improve their economic social and political positions Beginning with small and very often illegal groups of involved workers it grew to the million member organizations that now exist around the globe It is studied from many different perspectives historical economic sociological and legal but it fundamentally involves the struggle for workers rights human rights and social justice

In an often hostile environment organized labor has tried to make the world a fairer place Even though it has only ever covered a minority of employees in most countries its effects on their political economic and social systems have been generally positive Despite growing repression of organized labor in recent years membership numbers are still growing for the benefit of all employees including the non members Historical Dictionary of Organized Labor Fourth Edition makes the history of this important feature of life easily accessible The reader is guided through a chronology an introductory essay 600 entries on the subject appendixes with statistical material and an extensive bibliography including Internet sites This book gives a thorough introduction into past and present for historians economists sociologists journalists activists labor union leaders and anyone interested in the development of this important issue Labor in America Melvyn Dubofsky, Joseph A. McCartin, 2017-03-08 This book designed to give a survey history of American labor from colonial times to the present is uniquely well suited to speak to the concerns of today s teachers and students As issues of growing inequality stagnating incomes declining unionization and exacerbated job insecurity have increasingly come to define working life over the last 20 years a new generation of students and teachers is beginning to seek to understand labor and its place and ponder seriously its future in American life Like its predecessors this ninth edition of our classic survey of American labor is designed to introduce readers to the subject in an engaging accessible way **The History of Wisconsin, Volume V** Paul W. Glad, 2013-03-05 The fifth volume in The History of Wisconsin series covers the years from the outbreak of World War I to the eve of American entry into World War II In between the rise of the woman s movement the advent of universal suffrage and the great experiment of Prohibition are explored along with the contest between newly emergent labor unions and powerful business and industrial corporations Author Paul W Glad also investigates the Great Depression in Wisconsin and its impact on rural and urban families in the state Photographs and maps further illustrate this volume which tells the story of one of the most exciting and stressful eras in the history of the state

Right here, we have countless books **American Working Class History A Representative Bibliography** and collections to check out. We additionally have enough money variant types and in addition to type of the books to browse.
