Americas Great Revivals The Story Of Spiritual Revival In The United States 1734 1899:

America's Great Revivals Bethany House,2004 The thrilling story of spiritual revival in the United States *Servanthood of Song* Stanley R. McDaniel,2024-05-23 *Servanthood of Song* is a history of American church music from the colonial era to the present Its focus is on the institutional and societal pressures that have shaped church song and have led us directly to where we are today The gulf which separates advocates of traditional and contemporary worship Black and White Protestant and Catholic is not new History repeatedly shows us that ministry to be effective must meet the needs of the entire worshipping community not just one segment age group or class *Servanthood of Song* provides a historical context for trends in contemporary worship in the United States and suggests that the current polemical divisions between advocates of contemporary and traditional classically oriented church music are both unnecessary and counterproductive It also draws from history to show that to be the powerful component of worship it can be music whatever the genre must be viewed as a ministry with training appropriate to that *Servanthood of Song* provides a critical resource for anyone considering a career in either musical or pastoral ministries in the American church as well as all who care passionately about vital and authentic worship for the church of today America's Great Revivals ,2020-06-30 The year 1734 marked the beginning of one of the greatest revivals in the history of North America Sparked by the preaching of Jonathan Edwards the flames of revival spread throughout New England Other great awakenings followed across the new nation as God sent spiritual revival through the ministries of George Whitefield Charles Finney Dwight L Moody Billy Graham and many others Today America is in need of a fresh awakening from God May the captivating stories of what God did in the 18th 19th and 20th centuries inspire you to pray for a new season of great revival **America's Great Revivals** ,2020-06-30 The year 1734 marked the beginning of one of the greatest revivals in the history of North America Sparked by the preaching of Jonathan Edwards the flames of revival spread throughout New England Other great awakenings followed across the new nation as God sent spiritual revival through the ministries of George Whitefield Charles Finney Dwight L Moody Billy Graham and many others Today America is in need of a fresh awakening from God May the captivating stories of what God did in the 18th 19th and 20th centuries inspire you to pray for a new season of great revival AFA Journal ,2005 America's Great Revivals Christian Life,Christian Life Magazine Staff,1970-08-01 This book documents the thrilling American revivals that took place under the ministries of Jonathan Edwards George Whitefield D L Moody Jeremiah Lanphier and Charles Finney **A History of American Revivals (1912)** Frank Grenville Beardsley,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work History and Character of American Revivals of Religion Calvin Colton,2013-09 This historic book may have numerous typos and missing

Tracy,2018-01-08 In the early eighteenth century a great religious awakening swept through America This evangelical movement left a permanent impact on American Protestantism that is still visible today No longer would Christianity be dominated by ritual ceremony and hierarchy instead it would become a much more personal religion It gave average people the means to develop an individual sense of spiritual conviction and encouraged men and women across the colonies to study their own relationships with God and commit themselves to a new standard of Christian morality Preachers traveled great distances to spread their evangelical message and to be heard by new audiences Two of the most prominent leaders of the Great Awakening were Jonathan Edwards and George Whitefield Together they forged a new form of evangelical Christianity that could be understood by the masses and came to epitomize religion in America Joseph Tracy s brilliant study of this period and the religious revival that took place uncovers how figures such as Whitefield and Edwards changed the shape of American religion forever The Great Awakening is essential reading for anyone interested in eighteenth century colonial America and the religious revival that took hold of it Joseph Tracy was a Protestant minister newspaper editor historian and leading figure in the American Colonization Society Many scholars believe Tracy s work The Great Awakening to be the seminal work on religious revival in eighteenth century America His book was published in 1842 and he passed away in 1874
