Americanism Versus Bolshevism:

Americanism Versus Bolshevism Ole Hanson, 1920 Ole Hanson served as Seattle's mayor at a pivotal time communists infiltrated the city's labour unions and within months staged a general strike and revolution this is Hanson's personal account of defeating the uprising Buoyed by the success of the 1917 Revolution in Russia ambitious communists hoped that a revolutionary chain reaction would ensue across the world including in the United States The prosperous port city of Seattle with its sizable dock and industry became a flashpoint in the movement The city's labour unions were infiltrated and radicalized by communists who hatched a plot to overthrow the local government through crippling strike action The attempt was only thwarted by city hall's total refusal to grant any concession backed by thousands of American soldiers The author goes on to discuss the history of communist movements and how they arose in countries with mass poverty coupled with abysmal government He constructively suggests many measures that the US can take to guard against future actions by communists for example the control of rising living costs and the dollar's inflation sustained investment in education and increases to teachers pay plus fighting corruption in certain industries **Americanism Versus Bolshevism** Ole

Hanson, 2015-06-26 Excerpt from Americanism Versus Bolshevism I undertook the writing of this book for the purpose of placing before the people of my country the truth in relation to bolshevism and its American manifestation I W W ism as well as stating in plain language just what the concept of Americanism means to me I am tired of reading rhetorical finely spun hypocritical far fetched excuses for bolshevism communism syndicalism I W W ism Nauseated by the sickly sentimentality of those who would conciliate pander and encourage all who would destroy our Government I have tried to learn the truth and tell it in United States English of one or two syllables Every statement made every principle enunciated every record quoted almost without exception is taken from the records of the syndicalistic and bolshevistic organizations from the columns of their magazines and propaganda newspapers from their text books from the lips of their leaders and from other authoritative sources agreed upon and repeatedly quoted by their propagandists About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Americanism Versus**

Bolshevism (Classic Reprint) Ole Hanson, 2017-09-16 Excerpt from Americanism Versus Bolshevism The American bolshevists i W W fired wheat fields when our army needed wheat put dead rats and mice in canned food spiked logs in order to destroy machinery and fellow workmen set forest fires placed emery dust in machinery burned down mills and logging camps killed vineyards and did every other damnable and cowardly thing always taking care that their own life and liberty

were safe Their real and avowed purpose is the overthrow of all order and government and the making of our country an experimental station for the purpose of trying out the blind vagaries and nightmares of the intellectual pismires and spittoon philosophers who would then become the autocrats in control of all things About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Pharmaceutical Era Charles W. Parsons,1920 [The Pharmaceutical Era](#) ,1920 **American Exceptionalism** Ian Tyrrell,2024-06-19 American exceptionalism has been a surprisingly resilient and divisive concept In this magisterial book Ian Tyrrell shows that while the term is a relatively new one the idea that American identity might be historically and globally distinctive emerged with the nation itself As the country grew the issue became the degree of exceptionality and how it was expressed And as the country became a part of the global order its exceptionalism came increasingly into question How did a purportedly unique nation explain its entanglement with persistent global topics like slavery and racial discrimination labor exploitation settler colonialism and more Today even as demands to honor America's exceptionalism have grown more strident Tyrrell argues that the material and moral evidence for it if there ever was any has withered away *The Great Menace* George Whitefield Mead,1920 This book has been written in the belief that it will help in an immediate nation wide campaign of publicity of the disaster facing our country in the Great Menace The greatest peril of America is not ultra radicalism but indifference to it a listless confidence that it can't be done Foreword **Un-American Womanhood** Kim E. Nielsen,2001 This book studies the Red Scare of the 1920s through the lens of gender The author

describes the methods antifeminists used to subdue feminism and other movements they viewed as radical. The book also considers the seeming contradictions of outspoken antifeminists who broke with traditional gender norms to assume forceful and public roles in their efforts to denounce feminism.
