Americas Route 66:

Route 66 Jim Hinckley,2017-04 A virtual roadtrip through the highway s legends stories people and funky businesses that are the essence of the Route 66 experience Route 66 William Kaszynski,2003-01-01 Route 66 is a fixture of American culture For the truckers salesmen and vacationers who have traveled it and for the people who live along it the road is a reminder of the bygone days of the American motoring experience Despite time neglect and progress Route 66 endures Almost all of its 2 448 miles are still intact and drivable Travel from Chicago to Los Angeles and experience Route 66 through this richly illustrated book It presents pictures of many of the historic landmarks and longtime businesses which have become roadside institutions to several generations of Route 66 travelers plus some places that are relatively unknown to the average traveler Nearly all of the places shown can be visited today The book is also a salute to those who supported the highway over the years including Cyrus Avery Jack Cutberth Mr 66 Lucille Hamon and Campbell s 66 Express **Road Trip**

USA Route 66 Jamie Jensen,2016-01-05 Rediscover the Open Road Make the most of the historic Main Street of America from quirky cosmopolitan Chicago and St Louis southwest through the deserts of New Mexico and Arizona to sunny chic Los Angeles Road Trip USA Route 66 is roadside Americana at your fingertips Inside Road Trip USA Route 66 you ll find Excerpted from Road Trip USA Mile by mile highlights celebrating the best of Route 66 like The Grand Canyon Cadillac Ranch Tinkertown and London Bridge as well as the parks diners and the local history that makes each small town and big city unique Driving maps covering the entire historic route to help you do as the song says and get your kicks on Route 66 Full color vintage and modern photos and illustrations of America both then and now in a slim portable guide Roadside curiosities and detours reveal the personalities of small towns and thriving cities along the route Expert advice from road warrior Jamie Jensen who has zoomed along nearly 400 000 miles of highway in search of the perfect stretches of pavement Road Trip USA Route 66 is so full of the beauty of the American road why wait to start your next adventure Hit the Road

Route 66 iMinds,2009 Learn about Route 66 with iMinds insightful knowledge series Route 66 is arguably the most famous road in the United States of America Stretching 2448 miles across much of the country from Chicago in the East to Los Angeles in the West it was also America s longest road As it wound its way across the remarkable scenery of America Route 66 originally passed through the states of Illinois Missouri Kansas Oklahoma Texas New Mexico Arizona and California In the early 1920s entrepreneurs Cyrus Avery and John Woodruff conceived the idea of building a massive highway that linked Chicago to Los Angeles Their inspiration sprung from the changing needs of the American people iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind *Route 66 Still Kicks* Rick Antonson,2012-06-23 Through the stories of one of Canada s most enthusiastic travellers explore the famous American highway that inspired the likes of Al Capone Salvador Dali Mickey Mantle and the countless fans of this iconic American landmark *Route 66* Susan Croce Kelly,1990 U S Highway 66 was always different from other

roads During the decades it served American travelers Route 66 became the subject of a world famous novel an Oscar winning film a hit song and a long running television program The 2 000 mile concrete slab also became a seven year obsession for Susan Croce Kelly and Quinta Scott They traveled Route 66 photographing buildings knocking on doors and interviewing the people who had built the buildings and run the businesses along the highway Drawing on the oral tradition of those rural Americans who populated the edge of old Route 66 Scott and Kelly have pieced together the story of a highway that was conceived in Tulsa Oklahoma linked Chicago to Los Angeles and played a role in the great social changes of the early twentieth century Using the words of the people themselves and documents they left behind Kelly describes the life changes of Route 66 from the dirt and gravel days until the time when new technology and different life styles decreed that it be abandoned to the small towns it had nurtured over the course of thirty years Scott s photographic essay shows the faces of those 66 people and gives a feeling of what can be seen along the old highway today from the seminal highway architecture to the grainfields of the Illinois prairie the windbent trees of western Oklahoma the emptiness of New Mexico and the bustling pier where the highway ends on the edge of the Pacific Ocean Route 66 uses oral history and photography as the basis for a human study of this country s most famous road Historic times dates places and events are described in the words of men and women who were there driving the highway cooking hamburgers creating pottery and pumping gas As much as the concrete gravel and tar spread in a sweeping arc from Chicago to Santa Monica those people are Route 66 Their stories and portraits are the biography of the highway

Here We Are . . . on Route 66 Jim Hinckley,2022-01-18 Here We Are on Route 66 explores America s fabled Mother Road following Route 66 from Chicago to Santa Monica and offering an expert look back at vanished attractions and sites still drawing thousands each year

RoadTrip America A Sports Fan's Guide to Route 66 Ron Clements,RoadTrip America,2021-08-03 Get Your Balls Bats and Sticks on Route 66 Immortalized in countless books songs and movies Route 66 is a timeless icon of American culture Until now however no guide to this historic byway has focused on another beloved part of American culture sports That all changes with RoadTrip America A Sports Fan s Guide to Route 66 In this groundbreaking new book sports writer and lifelong sports fan Ron Clements goes beyond nostalgic buildings and classic cars to highlight historic sports venues storied sports professionals and current sports events along the Mother Road Rolling west from Chicago to Santa Monica the author shares inside information about the NFL NBA NHL and MLB teams who are based in the cites and towns that around on Route 66 In addition enjoy anecdotes gathered from auto and horse racing tracks rodeo areanas golf links and the magnificent lineup of high school and collegiate sports programs to check out along the way The book has more than 300 photos and maps showing the various attractions in each of the eight states covered Illinois Missouri Kansas Oklahoma Texas New Mexico Arizona and California And because no book about the Mother Road would be complete without it there s

plenty of info about the iconic roadside attractions that have entertained and enthralled travelers for the past century Ron Clements *U.S. Route 66* Charles River Charles River Editors,2016-02-28 Includes pictures Describes the origins route construction and history of the highway Includes online resources and a bibliography for further reading Includes a table of contents Sometimes there s a tackiness about Route 66 that out tacks any tackiness I ve ever seen anywhere else And the Meramec Caverns are the pinnacle of that tack Billy Connolly Start a sentence with Get your kicks on and most Americans will immediately complete the sentence with Route 66 Route 66 conjures up visions of a fun road trip across the United States whether it was a bird s eye view from a snappy convertible or from a station wagon hauling a trailer There was fun to be had around every turn For thousands Route 66 was far from fun Route 66 was the way to a better life The celebrated Route 66 was commissioned in 1926 as the first highway linking Chicago to Los Angeles and though most people today would avoid two lane highways in favor of fast moving interstates the interstate system was still decades away at the time Two of the few things modern America has in common with the America of the 1920s when it comes to roads and technology is the need to transport goods to market and the desire to see the vast lands that form the United States Shortly before the Great Depression Route 66 was the road that offered both In 1985 the last original bits of pavement forming Route 66 vanished from maps so technically Route 66 has come and gone But in a sense Route 66 will never disappear It left an indelible impression on American culture and since its creation nearly a century ago Route 66 has become so much more than a road it is now a myth legend and fantasy Called the most magical road in all the world it offered a trip through the heart of America in all her glory and some of her inglorious days Route 66 The History of America s Most Famous Highway looks at the construction history and legacy of the Main Street of America Along with pictures of important people places and events you will learn about Route 66 like never before in no time at all
