Jeffrey Ian Ross

Americas Throwaway Children:

America's Missing & Exploited Children Advisory Board on Missing Children (U.S.),1986 *The Public Assault on America's Children* Valerie Polakow,2000-12 Does our society care about its children This provocative and in depth examination of violence in the lives of children uncovers the conditions and social policies that perpetuate violence In addition this volume forces us to look at other forms of violence confronting children in families neighborhoods and schools The violence of poverty and homelessness The violence of environmentally induced childhood diseases The media and legislative criminalization of children and The increasing trend towards incarceration of youthful offenders The pre eminent contributors to this volume examine these issues from both historical and contemporary public policy perspectives They address the myths and realities of youth violence and the impact of poverty race and gender Prevailing ideas about punishment and retribution the role of the state in terms of private or public responsibility and the developmental needs of the child are all themes that frame the multiple advocacy perspectives presented by these cogent essays *What About America's Homeless Children?* Paul G. Shane,1996-09-10 The book concludes with recommendations for policies and programs that can prevent homelessness for children **Children Today** ,1991 **Homeless Youth** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution,1980 Encyclopedia of Street Crime in America Jeffrey Ian Ross,2013-03-01 Anyone living or working in a city has feared or experienced street crime at one time or another whether it be a mugging purse snatching or a more violent crime In the U S street crime has recently hovered near historic lows hence the declaration of certain analysts that street life in America has never been safer But is it really Street crime has changed over past decades especially with the advent of surveillance cameras in public places the territory of the street criminal but at the same time criminals have found ways to adapt This encyclopedic reference focuses primarily on urban lifestyle and its associated crimes ranging from burglary to drug peddling to murder to new more sophisticated forms of street crime and scams This traditional A to Z reference has significant coverage of police and courts and other criminal justice sub disciplines while also featuring thematic articles on the sociology of street crime Features Benefits 175 signed entries within a single volume in print and electronic formats provide in depth coverage to the topic of street crime in America Cross References and Suggestions for Further Readings guide readers to additional resources Entries are supported by vivid photos and illustrations to better bring the material alive A thematic Reader s Guide groups related entries by broad topic areas and within the electronic version combines with Cross References and a detailed Index for convenient search and browse capabilities A Chronology provides readers with a historical perspective of street crime in America Appendices provide sources of data and statistics annotated to highlight their relevance Homelessness in America Kathleen Swenso Miller,Georgiana L Herzberg,Sharon A Ray,2012-12-06 Learn how to better address the needs of the homeless The causes of homelessness are complex and varied Homelessness in America provides an overview of the state of research on the

homeless population from an occupation and societal participation perspective This important resource explores the systems of care in which homeless services are organized the tailoring of services to meet the needs of diverse types of homeless the newest trends in services and crucial funding sources Research is comprehensively examined from an occupation based perspective including studies on specific issues pertaining to various homeless populations This in depth discussion provides a vital understanding of homelessness using a client centered and strengths based approach in occupational therapy Much of the research and writings of occupational therapists who work with homeless populations has been scattered throughout various diverse publications Homelessness in America Perspectives Characterizations and Considerations for Occupational Therapy gathers into one useful volume important insights practical strategies and valuable research into the many challenges concerning homelessness Various effective interventions are discussed in depth Several leading authorities explore current issues and offer illuminating case studies extensive reference lists and helpful tables of funding sources Topics in Homelessness in America include results of an Internet based survey of assessment tools used with the homeless a critical examination of the assumptions of who becomes homeless and why typologies of homelessness current trends in service delivery federal organization and sources of funding for services exploratory study of occupational concerns and goals of homeless women with children study illustrating the value of the theory of Occupational Adaptation mother toddler interactions in transitional housing the role of occupational therapy in the youth homelessness problem homeless youths after school and weekend time use guiding intervention by using the Model of Human Occupation MOHO productive role involvement at Project Employ study on life skills interventions with effective recommendations much more Homelessness in America is insightful important reading for occupational therapy educators students practicing occupational therapists program directors of services to the homeless and policymakers

Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Congress. Senate. Committee on the Judiciary, 1980

New Directions from the Field: Child Victims, 1998

Delinquency and Juvenile Justice in American Society Randall G. Sheldon, Emily I. Troshynski, 2019-07-16

What is delinquency What are the pathways to offending What prevention strategies exist To understand delinquency we need to overcome stereotypical thinking and implicit biases This engaging affordable text explores the impact of gendered racial and class attitudes on decisions to arrest detain adjudicate and place youths in the juvenile justice system Sheldon and Troshynski highlight the social legal and political influences on how the public perceives juveniles They look at the influences of family and schools on delinquency as well as the impact of gender trauma and mental health issues Discussions of topics such as the school to prison pipeline disproportionate minority contact and inequality provide a nuanced perspective on delinquency a critical examination of social policies intended to control delinquency and the populations most likely to enter the juvenile justice system The authors also examine the dramatically declining juvenile crime rate and advances in neuroscience that have fostered substantive reforms These alternatives to confinement are replacing the institutions that

have repeatedly produced failure with rehabilitative programs that offer hope for a more promising future
