A Common Sense Guide To World Peace:

A Common Sense Guide to World Peace Benjamin B. Ferencz, 1985 **Benjamin Ferencz, Nuremberg Prosecutor and Peace Advocate** Tom Hofmann, 2013-11-21 At the conclusion of World War II war crimes tribunals were carried out at Nuremberg Germany Justice was meted out for major war criminals and Benjamin Ferencz was chief prosecutor for what the Associated Press said was the largest murder trial in history This biography of the last living Nuremberg prosecutor traces his life from early childhood growing up as an immigrant in Hell s Kitchen in New York City to Harvard Law School to the U S Army and Patton s Judge Advocate War Crimes Investigation Section to the Nuremberg Tribunals and beyond His life has been spent working toward the goal of world peace through law not war including the successful formation of the International Criminal Court in which Ferencz played a key role **World Peace Through Law** James Taylor Ranney, 2017-09-08 This book deals with the history and future of the concept of world peace through law WPTL which advocates replacing the use of international force with the global rule of law WPTL calls for replacing war with the global rule of law by arms reductions including the abolition of nuclear weapons global alternative dispute resolution mechanisms and various enforcement mechanisms This book sets forth a three part proposal 1 arms reductions primarily the abolition of nuclear weapons with necessarily concomitant reductions in conventional forces 2 a four stage system of global alternative dispute resolution ADR utilizing both law and equity 3 adequate enforcement mechanisms including a UN Peace Force The core of this proposal is alternative dispute resolution mechanisms international ADR International ADR would consist of a four stage process of compulsory negotiation compulsory mediation compulsory arbitration and compulsory adjudication by the World Court The fundamental proposition of this book is that the use of alternatives to war global ADR is the ultimate solution to the problem of peace The full implementation of WPTL will entail a vast array of progressive initiatives on many fronts including abolition of nuclear weapons with the global rule of law being the capstone to all of these developments This book will be of great interest to students of peace studies arms control international law and world politics *World Constitutionalism* Carmo D'Souza, Anthony D'Souza, 2009-03-26 Intellectual quest for World Order is as old as the history of mankind Saints and sages religious visionaries and philosophers from all great civilizations have left their valuable contributions on the peaceful sands of time However much of this wealth has been obliterated by other events of history wherein power might and grandeur were used as the instruments of exploitation by a section of human beings Time has come to research on the past and on its basis to analyze the present and visualize a future for a just world order In World Constitutionalism over two dozen scholars academicians administrators and leaders of civil society have come together to pen their innovative ideas It is an attempt to carry their vision over national barriers through the realms of Human Rights Environmental Law Feminist Justice Global Democracy and so on In the fast evolving twenty first century World Constitutionalism is already exploding on the global scene in all fields of life as human race finds enlightenment through

information and networking revolution technology development and conscious spiritual awakening taking place from East to West World Constitutionalism endeavours to foster scientific study of world governance as a multi disciplinary subject with an added flavour of law to give it special sanctity in the minds of the Peoples of the World The book is an addition to the growing movement for World Unity that presently reechoes round the globe Future Survey Annual 1986 Michael Marien,1987-01-01 *The International Law of War* Florentino P. Feliciano,Myres S. McDougal,2023-07-24 This book The International Law of War Transnational Coercion and World Public Order by Myres S McDougal and Florentino P Feliciano explores the framework of international law as it pertains to the regulation of coercion across state boundaries It aims to clarify common interests in establishing and maintaining world order by addressing the processes of authoritative decision making The book discusses the legal regulation of international coercion focusing on minimizing unauthorized coercion and promoting the distribution of values It provides an analytical approach to differentiating between permissible and impermissible coercion emphasizing the importance of human dignity The authors propose a comprehensive view of sanctions and examine traditional doctrines of neutrality under modern perspectives advocating for shared responsibility in maintaining minimum order Intended for scholars and practitioners of international law the book offers insights into the regulation of combat situations and the application of authority in warfare International Journal on World Peace ,1984

The Wholeness Principle Anna F. Lemkow,1990-01-01 New technology industry and commerce have spawned the global interdependency of all people making us our brothers keepers by necessity asserts author Anna Lemkow in this exciting demonstration of the reality of Wholeness as a universal principle She offers integrative approaches to religion philosophy science and world affairs that can help shape a bright future *Cultural Norms, War and the Environment* Arthur H.
