The Rosary with Icons Anthony Stehlin, 2017-10-26 The Holy Rosary is an inexhaustible source of divine blessings Its excellence is attested to by countless saints from every corner of the earth down through the centuries This book The Rosary with Icons in Latin English delves into this treasury of grace and gathers into a single volume a well ordered variety of good things from the Tradition of the Church which can be of benefit to people of all ages The Large Print can serve to make this book accessible to the very young as well as to those whose eyes are not as keen as they once were The prayers and Scripture meditations for each Mystery are presented in both Latin and English in order to foster greater usage and appreciation for Latin the unique Mother Tongue of the Roman Catholic Church The 15 original decades are included as well as the new Luminous Mysteries given to the Church by the great Marian Pope Saint John Paul II Beautiful full color iconography from the Eastern Orthodox tradition accompany each Mystery This feature greatly assists in the contemplation of the Lives of Christ and His Blessed Mother the Theotokos or Mother of God Saint John Paul II was singularly devoted to the the Blessed Virgin Mary It is well known that he chose his personal motto Totus Tuus All Thine to reflect his great affection trust and love for Our Lady Being from Poland he was also ever mindful of the Christian East of its treasures and gifts so needed and yet so often overlooked by the West As an Eastern Catholic I also recognize this need for greater awareness of the Eastern Christian tradition on the part of Roman Catholics This book is then also a response to the exhortation which Pope John Paul II made to the Church in his Apostolic Letter *Orientale Lumen* Since in fact we believe that the venerable and ancient tradition of the Eastern Churches is an integral part of the heritage of Christ's Church the first need for Catholics is to be familiar with that tradition so as to be nourished by it and to encourage the process of unity in the best way possible for each And so my hope is that this book will find its way into the prayerful hands of people of all walks of life It is perfectly suited for the classroom or as part of a homeschool curriculum for the elderly for those who love Orthodox iconography for those growing or who wish to grow in their knowledge of Latin and who wish to learn to pray in the language of the Church without expending too much effort Finally this book is for anyone who loves the Rosary and it will make a wonderful gift for anyone who wishes to share that love with others **Praying the Rosary** Michael Dubruiel, Amy Welborn, 2005-03-03 REDISCOVER DEEPEN CONTEMPLATE Based on the format suggested by Pope John Paul II in his
