Surrealistic Trials Hilary Jamron, 2014-06-01 We all have reasons for doing the things we do We all have our own realities It is my blessing to have more than one Hilary Jamron When Hilary died part of her soul refused to come back That part of her higher self chose to remain where peace and simplicity reign From that time forward life would reveal itself in front of her and she would simply step into her future Decisions would be made without fear or hesitation by an unconscious multidimensional consensus and she would survive She would travel through death and paralysis without self pity or delay The truth is that each of us is as limitless as space and time having no boundaries beginnings or endings Limits are illusions delusions like pebbles that we casually kick out of our way as we move forward Illness pain heartbreak and life circumstances are all pebbles There's no point in looking back when we've already kicked our earthly problems off to the side of the road The kicking is a gentle toss of the foot done in perfect synchronicity to the drumbeat of lessons learned After that the only direction is forward
