A Credible Jesus

Curt Daniel

A Credible Jesus:

A Credible Jesus Robert Walter Funk, 2002 Jesus saw the extraordinary in the ordinary His extraordinary vision comes to us in bits and pieces in random stunning insights embedded in the everyday language of his parables aphorisms and dialogues In A Credible Jesus Robert Funk sorts and assembles these fragments and examines ways in which the vision they preserve can serve twenty first century people searching for meaning in a very different world than the one Jesus inhabited The results are both unsettling and reassuring

A Credible Christianity Walter Kania Ph D, Walter Kania, 2010 A Syrian poet noted that The world holds two classes of men intelligent men without religion and religious men without intelligence A Nobel Prize winning physicist Dr Steven Weinberg said Religion is an insult to human dignity With or without it you would have good people doing good things and evil people doing evil things But for good people to do evil things that takes religion Could they both be right Or is it possible that we could have a Christianity that is intelligible believable and credible In order for that to be true we would need to rescue our traditional notions and practice of the Christian faith from its ancient fraudulent time warp We need to help it remove itself from the cultural trance in which it exists and the faulty beliefs which it holds We continue to survive on and promote an ancient discredited history of Jesus and the Church The secular and Biblical Scholarship of the last 200 years has been largely ignored in today's Christian beliefs and practices What we have today in Christianity is a distorted disfigured and fraudulent hero of the Christian faith We have numbed and parked our mental faculties regarding the historic knowledge of our religion and the truthful accurate and proper exercise or practice of our religion A Credible Christianity provides you with the best and latest scholarship behavioral research and psychological insight Galileo a hero of the Renaissance who was accused of sacrilege in his day said I do not feel obliged to believe that the same God who has endowed us with sense reason and intellect has intended us to forego their use
