A Dangerous Thing Josh Lanyon,2021-01-07 Meanwhile Back at the Ranch Bookseller Adrien English arrives at Pine Shadow Ranch to find a corpse in his driveway By the time the local sheriffs arrive the body has disappeared What happened to the dead man Who are the mysterious strangers excavating on Adrien s remote property And will he ever sort out his problems with LAPD Homicide Detective Jake Riordan

Tort Law Timon Hughes-Davies,Nathan Tamblyn,Matthew Channon,2025-06-25 What happens if a driver carelessly crashes into another car Or a newspaper publishes a story which makes derogatory comments about someone Or if a resident plays loud music every night so that their neighbour cannot get any sleep Tort law is a collection of such misbehaviours or misadventures where the law deems it appropriate to intervene with civil remedies Tort Law is written to enable students to gain a thorough understanding of tort law in England and Wales as well as to develop the critical reasoning and problem solving skills that are needed in an exam situation The law is explained with clear writing and an accessible approach relating the subject to everyday examples There are key learning points to help anchor the reader s basic understanding and sections of analysis to guide the reader to a more advanced critical engagement Above all tort law is interesting for it covers so much of our daily lives and is a constant source of evolving litigation This second edition has been thoroughly updated throughout to reflect changes in the law and includes a new chapter on artificial intelligence and emerging technologies This book is supported by a range of online multiple choice and essay questions developed to aid your learning keep you up to date and help you prepare for assessments The Routledge Spotlights series brings a modern contemporary approach to the core curriculum for the LLB and GDL which will help students move beyond an understanding of the law refine and develop the key skills of

problem solving evaluation and critical reasoning discover sources and suggestions for taking your study further By focusing on recent case law and real world examples the Routledge Spotlights series will help you shed light on the law understand how it operates in practice and gain a unique appreciation of the contemporary context of the subject

A Dangerous Thing Heeze-Dunnitt, George,1999 *Kamus Peribahasa Melayu-Inggeris* Shamsuddin Ahmad,2007 *Japanese Philosophy* James W. Heisig,Thomas P. Kasulis,John C. Maraldo,2011-07-31

With Japanese Philosophy A Sourcebook readers of English can now access in a single volume the richness and diversity of Japanese philosophy as it has developed throughout history Leading scholars in the field have translated selections from the writings of more than a hundred philosophical thinkers from all eras and schools of thought many of them available in English for the first time The Sourcebook editors have set out to represent the entire Japanese philosophical tradition not only the broad spectrum of academic philosophy dating from the introduction of Western philosophy in the latter part of the nineteenth century but also the philosophical ideas of major Japanese traditions of Buddhism Confucianism and Shinto The philosophical significance of each tradition is laid out in an extensive overview and each selection is accompanied by a brief biographical sketch of its author and helpful information on placing the work in its proper context The bulk of the supporting material which comprises nearly a quarter of the volume is given to original interpretive essays on topics not explicitly covered in other chapters cultural identity samurai thought women philosophers aesthetics bioethics An introductory chapter provides a historical overview of Japanese philosophy and a discussion of the Japanese debate over defining the idea of philosophy both of which help explain the rationale behind the design of the Sourcebook An exhaustive glossary of technical terminology a chronology of authors and a thematic index are appended Specialists will find information related to original sources and sinographs for Japanese names and terms in a comprehensive bibliography and general index Handsomely presented and clearly organized for ease of use Japanese Philosophy A Sourcebook will be a cornerstone in Japanese studies for decades to come It will be an essential reference for anyone interested in traditional or contemporary Japanese culture and the way it has shaped and been shaped by its great thinkers over the centuries
