

A Diplomat Looks Back

Richard Washburn Child

A Diplomat Looks Back:

Herbert Hoover--the Great War and Its Aftermath, 1914-23 Lawrence Emerson Gelfand, 1979 A Diplomat Looks at Europe Richard Washburn Child, 1925 *A Diplomat Looks Back* Lewis Einstein, 1968 **A Diplomat Reveals** Prem K. Budhwar, 2007 Memoirs of the author Indian diplomat **Looking Back at LBJ** Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it is now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation's most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ's beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ's foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ's domestic policies that have been largely neglected women's rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can't always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure **Diplomacy Between the Wars** George W. Liebmann, 2019-07-25 Diplomacy Between the Wars is a detailed inside story of diplomacy seen through the careers of five remarkable career diplomatists Here is a unique and authentic picture of practical diplomacy and its effect during periods of international crisis which shaped the twentieth century These were not the statesmen and politicians who dominated the international stage but practical diplomats with long experience linguistic competence deep knowledge of the local conditions history culture and of the people of the countries where they served George Liebmann also brings acute political awareness to the subject The achievements of these diplomats often unsung during their careers and gleaned largely from history books were considerable and a monument to practical professional diplomacy Lewis Einstein was influential in demonstrating the central role and its control of finance and credit in modern wars and urging massive US economic assistance to Europe and after World War II providing the intellectual underpinnings of the Marshall Plan Sir

Horace Rumbold's work was vital in avoiding war between Great Britain and Turkey and in warnings of the dangers of Hitler. Johann von Bernstorff opposed Germany's naval militarism, supported a negotiated end to the First World War, and peaceful revision of the Treaty of Versailles. Count Carlo Sforza urged restraint on Italy's territorial ambitions and tolerance for former Fascists and Communists. Ismet Inönü kept Turkey out of war, preserved her national interest at the Treaty of Lausanne, and maintained friendship with the great powers. He worked for religious toleration and the limitation of dictatorship in Atatürk's secular Turkish Republic.

International Negotiations: A Bibliography Amos Lakos, 2019-02-22. The international system comprises a plurality of sovereign states often pursuing conflicting interests. One means of resolving or managing conflicts between those states is diplomatic bargaining or negotiation. In the last fifteen years, the study of negotiation has attracted researchers from various disciplines in the social sciences and the vol. *The Diplomat's Wife* Pam Jenoff, 2008-05-01. How have I been lucky enough to come here to be alive when so many others are not? I should have died. But I am here. 1945. Surviving the brutality of a Nazi prison camp, Marta Nederman is lucky to have escaped with her life. Recovering from the horror, she meets Paul, an American soldier who gives her hope of a happier future. But their plans to meet in London are dashed when Paul's plane crashes. Devastated and pregnant, Marta marries Simon, a caring British diplomat, and glimpses the joy that home and family can bring. But her happiness is threatened when she learns of a Communist spy in British intelligence and that the one person who can expose the traitor is connected to her past.

A Diplomat's Progress Henry Precht, 2005. Sardonic insights and a lovely pen. Fred Emery, former Executive Editor, *The Times*. London. Precht's stories about an American diplomat in the Middle East provide important background about America's present role and challenges in that crucial geography. Burton Gerber, Veteran CIA Officer in Eastern Europe and the Middle East. This is not a striped pants world. Instead, these stories illuminate a grittier side of embassy life with a wry sense of humor and a bit of an edge, not unlike the author himself.

Italian Letters of a Diplomat's Life January-May, 1880; February-April, 1904 Mary Alsop King Waddington, 2011-01-01.
