Death penalty has produced endless discourses not only in the context of prisons prisoners and punishment but also in various legal aspects concerning the validity of death penalty the right to life and torture Death penalty is embedded in Indian law however very little is known about the people who are on death row barring a few media reports on them The main objective of this book is to enquire whether the dignity of prisoners is upheld while they confront the criminal justice system and whilst surviving on death row Additionally it explores the lived experiences and perceptions of prisoners on death row as they create meaning out of their world With this rationale 111 prisoners on death row in India and some of their family members were interviewed The theoretical underpinnings of phenomenology and symbolic interactionism coupled with data analysis lead to an understanding of the prisoners on death row with special reference to their demographic profile and the impact of death sentence on their families George s research highlights three salient features namely poverty social exclusion and marginalisation are antecedent to death penalty death penalty is a constructed account by the state machinery and prisoners on death row situate dignity higher in the juxtaposition of death and dignity *The Life and Death of Krishnamurti* Mary Lutyens, 2012-05-31 J Krishnamurti 1896 1986 was one of the most important spiritual leaders of his time Discovered by the Theosophist as a boy in India he was groomed by them as the new Messiah a role he rejected when he set out independently on his own spiritual quest Travelling the world lecturing and teaching he acquired an enormous following including many eminent statesmen and intellectuals As one of Krishnamurti s closest friends and devotees Mary Lutyens is uniquely qualified to write his biography Indeed she has written three previous volumes on him but only after his death in 1986 did she feel able to produce this book bringing the life and philosophy of this fascinating and complex man into true perspective **A History of English Dramatic Literature to the Death of Queen Anne** Ward, 1899 **A Dialogue between Haizi s Poetry and the Gospel of Luke** Xiaoli Yang, 2018-05-01 In *A Dialogue between Haizi s Poetry and the Gospel of Luke* Xiaoli Yang offers a conversation between the Chinese soul searching found in Haizi s 1964 1989 poetry and the gospel of Jesus Christ through Luke s testimony It creates a unique contextual poetic lens that appreciates a generation of the Chinese homecoming journey through Haizi s poetry and

explores its relationship with Jesus Christ As the dialogical journey it names four stages of homecoming roots vision journey and arrival By taking an interdisciplinary approach literary study inter cultural dialogue and comparative theology Xiaoli Yang convincingly demonstrates that the common language between the poet Haizi and the Lukan Jesus provides a crucial and rich source of data for an ongoing table conversation between culture and faith
