

Great Faith That Smiles Is Born Of Great Trials

It's easy to say, "in God we trust" when life is radiant and fair
But the test of faith is only found when there are burdens to bear
For our claim to faith in the "sunshine" is really no faith at all
For when roads are smooth and days are bright, our need
for God is small

And no one discovers the fullness or the greatness of God's love
Unless he has walked in the "darkness" with only a light from Above
For the faith to endure whatever comes is born of sorrow and trials
And strengthened only by discipline and nurtured by self-denials
So be not disheartened by troubles for trials are the "building blocks"
On which to erect a fortress of faith, secure on God's "ageless rocks"
