A Fanatic Heart Selected Stories Of Edna O'Brien:

A Fanatic Heart Edna O'Brien, 2024-05-01 O'Brien tells the Irish woman's inside story. She has, as only the finest writers can, created a world she speaks in a voice identifiably and only hers. Mary Gordon, *The New York Times Book Review*. In these selections from twenty years of her best short fiction, Edna O'Brien's *A Fanatic Heart* pulls the reader into a woman's experience. Her stories portray a young Irish girl's view of obsessive love and its often wrenching pain, while tales of contemporary life show women who open themselves to sexuality to disappointment to madness. Throughout there is always O'Brien's voice: wondrous, despairing, moving, examining passionate subjects that lay bare the desire and needs that can be hidden in a woman's heart. There's no writer alive who sounds quite like Edna O'Brien. Only a person of abiding compassion could write those lovely words they echo in almost every page of *A Fanatic Heart*. *The Washington Post Book World*. A landmark collection. The Irish writer's exquisite perceptions and empathy with the women of her country exert an emotional pull compelling the reader to live the straitened circumstances of their lives. *Publishers Weekly*. ***A Fanatic Heart*** Edna O'Brien, 1984. Twenty-nine stories include all nine from the Irish-born writer's most recent collection, four previously uncollected stories, and her own selections from three previous volumes, and reveal her dark vision of rural and urban life.

A Fanatic Heart Edna O'Brien, 2008-02-19 In these selections from twenty years of her best short fiction, Edna O'Brien's *A Fanatic Heart* pulls the reader into a woman's experience. Her stories portray a young Irish girl's view of obsessive love and its often wrenching pain, while tales of contemporary life show women who open themselves to sexuality to disappointment to madness. Throughout there is always O'Brien's voice: wondrous, despairing, moving, examining passionate subjects that lay bare the desire and needs that can be hidden in a woman's heart. *Conversations with Edna O'Brien* Alice Hughes Kersnowski, 2014. Collected interviews covering over fifty years of this acclaimed and controversial Irish author's career.

Edna O'Brien and the Art of Fiction Maureen O'Connor, 2021-10-15 *Edna O'Brien and the Art of Fiction* provides an urgent retrospective consideration of one of the English-speaking world's best-selling and most prolific contemporary authors. This study considers the pioneering ways O'Brien represents women's experience, family relationships, the natural world, sex, creativity, and death, and her work's long anticipation of movements such as #MeToo. *The Love Object* Edna O'Brien, 2015-05-12. Collected here for the first time are stories spanning five decades of writing by the short story master Harold Bloom. As John Banville writes in his introduction to *The Love Object*, Edna O'Brien is simply one of the finest writers of our time. The thirty-one stories collected in this volume provide, among other things, a cumulative portrait of Ireland seen from within and without. Coming of age, the impact of class and familial and romantic love are the prevalent motifs, along with the instinct toward escape and subsequent nostalgia for home. Some of the stories are linked, and some carry O'Brien's distinct sense of the comical. In *A Rose in the Heart* of New York, the single-mindedness of love dramatically derails the relationship between a girl and her mother, while in *Sister Imelda* and *The Creature*, the strong ties between teacher and

student and mother and son are ultimately broken The Love Object recounts a passionate affair between the narrator and her older lover The magnificent mid career title story from Lantern Slides portrays a Dublin dinner party that takes on the lives and loves of all the guests More recent stories include Shovel Kings a masterpiece of compression distilling the pain of a lost exiled generation Sunday Times and Old Wounds which follows the revival and demise of the friendship between two elderly cousins In 2011 Edna O'Brien's gifts were acknowledged with the most prestigious international award for the story the Frank O'Connor Short Story Award The Love Object illustrates a career's worth of shimmering potent prose from a writer of great courage vision and heart The most striking aspect of Edna O'Brien's short stories aside from the consistent mastery with which they are executed is their diversity John Banville **Kate Chopin Around the World** Heather

Ostman, 2025-02-15 Kate Chopin around the World Global Perspectives offers a fresh international lens on Chopin's impact on readers around the world Contributors from multiple continents situate Chopin's fiction within national and regional locales reflecting on the reading researching and teaching of her work through different cultural lenses Essays from both new and seasoned Chopin scholars draw from a range of critical approaches to demonstrate the broad reaching effects Chopin has had around the globe At times their essays are personal as contributors reflect on the profound effect the author's fiction had on their lives research and even students Read together the essays offer a rich conversation with a multiplicity of perspectives from different countries and cultures demonstrating the incredible influence Chopin a nineteenth century American widow who sought to support her six children through her writing has had on readers scholars and teachers for generations *Five Irish women* Emer Nolan, 2019-09-16 Five Irish Women is comprised of five interlinked portraits of

exceptional Irish women from various fields literature journalism music politics who have achieved outstanding reputations since the 1960s Edna O'Brien Sinéad O'Connor Nuala O'Faolain Bernadette McAliskey and Anne Enright Several of these could claim to be among the best known Irish people of their day The book looks at their achievements works of art in some cases but also life writing interviews and speeches and at their reception in Ireland and elsewhere shedding light on some of their shared preoccupations including equality sexuality and nationalism The main focus is on the ways in which these distinguished women make sense of their formative experiences as Irish people and how they in turn have been understood as representative figures in modern Ireland *Irish Women Writers and the Modern Short Story* Elke D'hoker, 2016-07-28

This book traces the development of the modern short story in the hands of Irish women writers from the 1890s to the present George Egerton Somerville and Ross Elizabeth Bowen Mary Lavin Edna O'Brien Anne Enright and Claire Keegan are only some of the many Irish women writers who have made lasting contributions to the genre of the modern short story yet their achievements have often been marginalized in literary histories which typically define the Irish short story in terms of its oral heritage nationalist concerns rural realism and outsider hero Through a detailed investigation of the short fiction of fifteen prominent writers this study aims to open up this critical conceptualization of the Irish short story to the formal

properties and thematic concerns women writers bring to the genre What stands out in thematic terms is an abiding interest in human relations whether of love the family or the larger community In formal terms this book traces the overall development of the Irish short story highlighting both the lines of influence that connect these writers and the specific use each individual author makes of the short story form Edna O'Brien Kathryn Laing, Sinéad Mooney, Maureen O'Connor, 2006 As part of Pegasos Kuunsankosken Kaupunginkirjasto of Finland presents a biographical sketch about the Irish writer Edna O'Brien 1932 O'Brien has written plays children's books essays screenplays and nonfiction about Ireland Some of O'Brien's works include Country Girls 1960 The Love Object 1968 Night 1972 Mother Ireland 1976 and A Fanatic Heart 1984
