A Connecticut Christmas Stories Poems And Sermons 1774 1918:

A Connecticut Christmas Ed Ifkovic, 2004-09 Christmas in Connecticut These words immediately evoke warm images of stained glass churches on snow blanketed town greens merry bands of roving carolers sleigh bells ringing in the icy night and candlelit fir trees decorated with popcorn and cranberries Such a romantic world a glittering Christmas card now vanished into the past comes to life in this new collection of stories poems and sermons forgotten writings that document Christmas as a much loved tradition from the late 1700s until World War I Puritan Connecticut not only ignored the holiday but made it illegal yet by the 1850s Christmas in Connecticut was not only legal but a festive time of illuminated trees colorful presents Santa Claus lavish family feasts and quiet homilies about the birth of Christ in a Bethlehem manger These early writings by Connecticut born writers like Harriet Beecher Stowe mostly sentimental often maudlin but oddly quaint and sometimes surprisingly charming have mostly disappeared into the dustbins of old bookstores Now this lost distant world reemerges Outside it s snowing the stockings hang on the fireplace mantel and it s finally Christmas Eve It s time for a little old fashioned holiday storytelling

Lydia Sigourney Lydia Sigourney, 2008-08-28 Lydia Huntley Sigourney 1791 1865 was the most widely read and respected pre Civil War American woman poet in the English speaking world In a half century career Sigourney produced a wide range of poetry and prose envisaging the United States as a new kind of republic with a unique mission in history in which women like herself had a central role This edition contributes to the current recovery of Sigourney and her republican vision from the oblivion into which they were cast by the aftermath of the Civil War the construction of a male dominated American national literary canon and the aesthetics of Modernism In this Broadview edition a representative selection of poetry and prose from across her career illustrates Sigourney s national vision and the diversity of forms she used to promote it In the appendices letters and documents illustrate her challenges and working methods in what she called her kitchen in Parnassus

Diana's Dogs Ed Ifkovic, 2007-10 The Guinness Book of World Records calls her the best selling female singer in history Billboard named her the Celebrity of the Century Diana Ross lead singer of the most popular girl group of the 1960s and later a consummate solo artist has been in the public eye for over four decades From 1964 when *Where Did Our Love Go* rose to number one on the pop charts to the present day she has been the ultimate diva an artist worshiped by fanatical fans yet pilloried in the press for her temper tantrums and untoward demands Ed Ifkovic delivers his own spin on this international celebrity an idiosyncratic collection of short pieces that create a portrait of the mercurial star From a Detroit housing project to a Connecticut mansion who is this woman who exacts such loyalty from her fans and such vitriol from her detractors There are pieces on Diana s tantrums true but also jottings on the homes she s lived in the food she eats the cars she drives even her role as muse for writers There is a collection of poetic similes commentators have employed to describe her as well as a mind boggling catalogue of garish tabloid headlines This off beat book admittedly an obsessive fan s unembarrassed send up equal parts delight and censure is a spirited yet sardonic tale that

also explores the integration of black music into the white mainstream Frankly Diana led that noble charge What the author delights in is the unorthodox observation and gossipy tidbit that accompanied that revolution **Dictionary Catalog of the Rare Book Division** New York Public Library.
