Buffalo Run And Violent Maverick:

Buffalo Run Walt Coburn,1959 **The Reel Cowboy** Buck Rainey,2014-02-28 Movies and books have romanticized the life of the cowboy To most the heroes of countless Westerns fall into one of three categories the strong silent asexual deliverer of damsels in distress the slick and gaudy guitar strummer and the virile violent drifter In truth real cowboys had little in common with the fictionalized characters of literature and the silver screen The reel cowboys of yesteryear are recalled in Part One of this work The make believe West of Gene Autry Buck Jones Harry Carey and many others is contrasted with the real American West Part Two discusses the many movies based on the writings of Western writers The works of Zane Grey Louis L Amour Max Brand Luke Short Ernest Haycox and many others have been transformed to the silver screen often with great success Next examined are the movies based upon three writers of the great Northwest James Oliver Curwood Jack London and Rex Beach A concluding section looks at cinema cowboys on the so called sawdust trail Will Rogers Tom Mix Jack Hoxie were among those reel cowboys who performed in circuses and Wild West shows

Encyclopedia of Frontier and Western Fiction Jon Tuska,Vicki Piekarski,1983 **Twentieth-century Western Writers** ,1982 Lists writers of western fiction with a biography a bibliography of the writer s works and a critical essay on each writer Sometimes comments by the author himself are included **Twentieth-century Western Writers** Geoff Sadler,1991 Contains alphabetically arranged entries that provide information about nearly five hundred twentieth century writers of Western fiction each featuring a biography a bibliography a signed critical essay and in some cases comments from the author Includes a title index Encyclopedia of Pulp Fiction Writers Lee Server,2014-05-14 Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works Violence in the West Marilynn S. Johnson,2014-06-05 Generations of Americans have developed an image of violence in the Wild West through books and films But what conditions really resulted in violence on the American frontier between the 1880s and 1910s How frequently did violence occur and what forms did it take Johnson explores these questions through the lens of the mining and range wars that plagued the region during this period The author opens with an introductory essay that situates violence within social political and economic circumstances of the time considering smaller cases of interpersonal violence and larger conflicts Documents are then presented to illuminate two case studies of collective violence the Johnson County range war in northern Wyoming and the 1913 1914 coal strike in southern Colorado resulting in the Ludlow Massacre The closing epilogue examines the role both incidents played in shaping the collective memory and cultural history of the American West The book s format provides readers with both a general understanding of the history of western violence and the context of specific historical cases that allow for more in depth study and comparison **Large Print Holdings of the Public Libraries in Great River Library System** ,1990 **The Buffalo Hunters** Mari Sandoz,1978-01-01 In 1867 the total number of buffaloes in the trans Missouri region was conservatively estimated at fifteen million By the end of the 1880s

that figure had dwindled to a few hundred The destruction of the great herds is the theme of this book Mari Sandoz s canvas is vast but it is charged with color and excitement accounts of Indian ambushes hairbreadth escapes gambling and gunfights military expeditions famous frontier characters Wild Bill Hickok Lonesome Charlie Reynolds Buffalo Bill Sheridan Custer and Indian Chiefs Whistler Yellow Wolf Spotted Tail and Sitting Bull **Yachting** ,1959
