Building Connections Spiritual Dimensions Of Teaching:

Building Connections Eileen M. Cunningham, 2001 One of the most significant challenges facing teachers today is their capacity to work effectively with diverse learners Building Connections responds to the essential needs that teachers have expressed as a result of reflecting on their experiences in schools with learners and their families and with colleagues Many teachers today consider teaching to be a calling a mission that reaches out to youth They want to be faithful to this mission to create effective learning environments and experiences that foster successful student achievement and to have a sense of wholeness while doing so This book is a personal reflection on the author's experiences with diverse people It represents Eileen M Cunningham's attempt to transpose these experiences and her responses to them into a framework that can be used by others who want to make sense of their experiences through a spiritual perspective

Internationalization of Teacher Education Reyes L. Quezada, 2014-07-16 This book proposes to excite readers to engage in conversations on how Schools and Colleges of Education can internationalize teacher education programs so that graduates have global teaching experiences that teacher education curricula include global perspectives and that there are opportunities to have faculty think and teach from a global perspective The contributions in this book are by authors who have the knowledge and expertise in international teacher education to answer many questions regarding the development of a 21st century competent global teaching force They describe their experiences programs and support for the goal of continuing to internationalize Schools and Colleges of Education The book is designed to be interactive readers are encouraged to engage themselves in the conversation as the editor invites them to e mail any of the authors to discuss questions posed Questions addressed in this issue include defining internationalization global teacher competency hearing voices from the field as graduates and faculty share how internationalization has had an impact on teaching program development and professional and personal development This book was originally published as a special issue of Teaching Education

Spirituality in Higher Education Heewon Chang, Drick Boyd, 2016-09-16 This collection of articles explores how a wide range of academics diverse in location rank and discipline understand and express how they deal with spirituality in their professional lives and how they integrate spirituality in teaching research administration and advising The contributors also analyze the culture of academia and its challenges to the spiritual development of those involved Twenty chapter authors from a variety of faith traditions discuss the ways in which their own beliefs have affected their journeys through higher education By using an autoethnographic self analytical lens this collection shows how various spiritualities have influenced how higher education is understood taught and performed The book will stimulate debate and conversations on a topic traditionally ignored in academia

Democracy & Education, 2001 **The Teacher's Survival Guide** Marc R. Major, 2008-07-25 Based on extensive research as well as the author's own teaching and mentoring experience this lively book covers best practices in the essentials of teaching from organizational tips to proven pedagogic and classroom management techniques It combines

insights from some of the most respected psychologists and educational thinkers with hundreds of firsthand discussions In style the book combines the intellectual rigor of a college textbook with the readability practical relevance and appropriate humor common to bestselling how to manuals While avoiding oversimplification the author has distilled this vast reservoir of expert wisdom into an easily digestible guidebook packed with diagrams interviews anecdotes and case studies The result is both enlightening and enjoyable to read Supporting Children and Youth Through Spiritual Education Kirmani, Mubina Hassanali,Chapman, Amy L.,Steele, Barbara M.,Moallem, Mahnaz,Schroth, Stephen T.,2023-07-17 Across academic circles over the last few decades the interest and inquiry on spirituality continues to broaden Currently the school system in the United States and many Western countries put their focus on academic achievement at the expense of preparing their students inner cores for skills they will need to deal with a more complex and challenging world to come Supporting Children and Youth Through Spiritual Education provides a platform for researchers and experts in the field of spirituality in children and youth to voice the urgent need for an educational system that truly nurtures the whole child The book also considers the need to remove the misunderstandings about the terms spirituality and religion among those who work directly with children and youth Covering key topics such as religion cognitive development and spiritual needs this reference work is critical for principals administrators industry professionals researchers scholars practitioners academicians instructors and students

International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza,Gloria Durka,Kathleen Engebretson,Robert Jackson,Andrew McGrady,2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world
