Beacon Of Hope:

Paris Climate Agreement: Beacon of Hope Ross J. Salawitch, Timothy P. Canty, Austin P. Hope, Walter R. Tribett, Brian F. Bennett, 2017-01-05 This book is open access under a CC BY 4.0 license This volume presents an Empirical Model of Global Climate developed by the authors and uses that model to show that global warming will likely remain below 2°C relative to preindustrial throughout this century provided both the unconditional and conditional Paris INDC commitments are followed by the emission reductions needed to achieve the Paris INDCs are carried forward to 2060 and beyond The first section of the book provides a short overview of Earth's climate system describing and contrasting climatic changes throughout the planet's history and anthropogenic changes post Industrial Revolution The second section describes the climate model developed by the authors Canty et al Atmospheric Chemistry and Physics 2013 and contrasts the model with climate models used in the Intergovernmental Panel on Climate Change IPCC 2013 Report Chapter 3 examines both the unconditional i.e. firm commitments and conditional Paris INDCs commitments contingent on financial flow and/or technology transfer through the lens of their climate model and concludes that if all of the Paris INDCs are followed then they are indeed a beacon of hope for Earth's climate The fourth part of the book offers a perspective of energy needs and subsequent emissions reductions required to meet the Paris temperature goals illuminating challenges faced both in the developing world and the developed world Throughout the book easy to understand charts and graphics illustrate concepts The scientific basis of Chapters 2 and 3 was first presented in a keynote session of the 96th Annual Meeting of the American Meteorological Society in January 2016

A Beacon of Hope Reveral L. Yeargin, 2012-02 A Beacon of Hope presents a collection of poetic letters that author Reveral L. Yeargin has been writing since 1986 He has been inspired by the Lord to write words of encouragement and inspiration to share with those who believe in God Through Yeargin's inspiring poetry God has spoken with His Spirit so that everyone can read study and apply the wisdom from them to their everyday life Each of these poetic letters is an inspiration of people places and things These letters have been written to clarify our views because all of us are searching for answers to many of life's challenging questions without knowing where to search to find the answers A Beacon of Hope is a vessel for gaining peace of mind for those things that we don't understand thus allowing us to understand and embrace the paths that have been set before us in love My prayer is that you receive this with an open heart and after you get it continue to trust in God God can if you trust Him and He will if you continue to place your hope in Him Every tiny tree hopes to become full grown and you should have the desire to please your God I see you as a complete success because you fixed your heart on climbing the highest mountain There is no greater place in heaven or on this earth to put your hope than to hope in God from A Beacon of Hope
