Battle For Guatemala Rebels Death Squads And U S Power

James Ciment, Kenneth Hill

Battle For Guatemala Rebels Death Squads And U S Power:

The Battle For Guatemala Susanne Jonas,2018-03-08 This book presents a contemporary history of Guatemala s thirty year civil war evaluating the central protagonists in the turbulent battle for Guatemala rebels death squads and the United States power

Modern Genocide Paul R. Bartrop,Steven Leonard Jacobs,2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events *Modern Genocide The Definitive Resource and Document Collection* spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future

Latin American Political History Ronald M. Schneider,2018-05-04 This chronologically organized new text provides comprehensive historical coverage of Latin America s politics and development from colonial times to the twenty first century

Encyclopedia of Conflicts since World War II James Ciment,Kenneth Hill,2012-12-06 This copiously illustrated A Z reference presents the most in depth information available about the various conflicts the world has endured local regional and international since World War II Some 142 conflicts are discussed and analyzed The Encyclopedia of Conflict since World War II with its coverage of all the countries of the world fills a critical need for clear comprehensive explanations of events not covered in such detail in any other reference source Entries end with an extensive bibliography and the encyclopedia includes maps chronologies and a general bibliography as well as an index designed to make the reader understand the correlation and relationships between individual conflicts

Globalization on the Ground Christopher Chase-Dunn,Susanne Jonas,Nelson Amaro,2001 This book presents research analysis and reflections on the major issues of Guatemalan development and democracy the role of the military the involvement of Mayan communities in national development the possible emergence of more inclusive political institutions and the roles of international forces and agencies

in Guatemalan social change The chapters in this book are written by some of the most prominent scholars and public policy experts from Guatemala and the United States *The Oxford Handbook of Central American History* Robert H. Holden,2022 Leading scholars of Central America offer critical analyses of major themes in the historiography of this seven country region of Latin America Chapters engage both the novice s search for basic orientation and context and the experienced scholar s interest in evaluative critiques of the historical literature **Cold War** Spencer C. Tucker,Priscilla Roberts,2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker Cold War A Student Encyclopedia captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union Cold War A Student Encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century **The Turkey and the Eagle** Caleb S. Rossiter,2010 This book is about not just the effects but the making of U S foreign policy It shows how advocates of basing U S relations on progress toward democracy struggle in Washington with advocates of support for repressive regimes in return for economic benefits such trade investment and mineral resources and military benefits such as access to their territory for U S armed and covert forces By arguing that the outcome of this struggle is determined by the average citizen s position the book makes readers participants rather than observers By arguing that a cultural pump constantly promotes a vision of American domination as a positive force in the world it encourages readers to analyze the day to day effect of this vision on their own perceptions Intended for a general audience the book features enough inside tales and colorful characters to intrigue the casual reader but also provides the clear themes and historical context needed for a high school or college text on U S policy after World War II toward the colonized and then post colonial countries Handbook of Central American Governance Diego Sanchez-Ancochea,Salvador Martí i Puig,2013-12-17 Central America constitutes a fascinating case study of the challenges opportunities and characteristics of the process of transformation in today s global economy Comprised of a politically diverse range of societies this region has long been of interest to students of economic development and political change The Handbook of Central American Governance aims to describe and explain the manifold processes that are taking place in Central America that are altering patterns of social political and economic governance with particular focus on the impact of globalization and

democratization Containing sections on topics such as state and democracy key political and social actors inequality and social policy and international relations in addition to in depth studies on five key countries Costa Rica Nicaragua El Salvador Honduras and Guatemala this text is composed of contributions from some of the leading scholars in the field No other single volume studies the current characteristics of the region from a political economic and social perspective or reviews recent research in such detail As such this handbook is of value to academics students and researchers as well as to policy makers and those with an interest in governance and political processes

A Companion to Ronald Reagan Andrew L. Johns, 2015-02-10 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan's administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan
