"The Harry Potter books, unlike so many children's books of the last century or so, are a good thing. Children's books will help mold the way they experience and share a very good thing."
—KAREN COOPER

"This is a great idea for the series and I am sure that this is one of the best in a series of books about Harry Potter and beyond. I will have more of these for every book I love."
—KAREN COOPER

"I have to admit, I was a little bit of a skeptic when I first heard about this series. But now I am a fan. The Harry Potter books are a great way to introduce children to the world of magic and fantasy. I will have more of these for every book I love."
