The Bear on the Train Maria Amor,2017-03-12 One Bear One Train One INCREDIBLE story When paranormal assassin Leah Pratt was tasked with the job of killing dangerous WereBear Jake Overman she knew it would be a mission like no other But she really had no idea As Leah got sight of her target aboard a train heading north she knew this was the perfect time to strike But she had no idea that fate was about to intervene and Leah s journey and her destination were going to be dramatically changed forever **Bear v. Shark** Chris Bachelder,2002-02-19 So it s kind of like a parlor game then The question is apparently of Ancient Eastern extraction It seems to be a gut thing The answer just feels right and then you come up with reasons Given a relatively level playing field i e water deep enough so that a Shark could maneuver proficiently but shallow enough so that a Bear could stand and operate with its characteristic dexterity who would win in a fight between a Bear and a Shark In this brilliant satire of our media saturated culture the sovereign nation of Las Vegas the entertainment capital of the world is host to Bear v Shark II After a disappointing loss in the first matchup between the land and the sea the bear is back with a vengeance and out for blood All of America is obsessed with the upcoming spectacle so tickets are hard to come by With an essay entitled Bear v Shark A Reason to Live young Curtis Norman wins a national writing contest and four tickets to the event The Normans load up their SUV and embark on a road trip to Vegas As they head cross country the family is besieged by a dizzying barrage of voices television and radio personalities public service announcements bear and

shark pundits Freudians theologians and self published authors in addition to the Bear v Shark fanatics cultists and resisters they meet at roadside gas stations and restaurants Overwhelmed by factoids statistics and ten second debates the Normans along with the rest of country can't seem to get their facts straight much less figure out a way to actually communicate with one another Sound bites and verbal tics predominate misheard misunderstood and just plain mistaken information is absorbed mangled and regurgitated to hilarious effect and the most inane subjects from the disappearance of Dutch culture to the Shakespearean bias toward the bear are vigorously and obsessively debated These meaningless exchanges of misinformation leave Mr Norman disenchanted world weary and ambivalent about the impending show but the family eventually makes it to Vegas for an apocalyptic and surprisingly emotional ending Written in quick commercial like segments that mirror the media it satirizes Chris Bachelder's debut is a fiercely funny razor sharp novel about the odd intersection of zealotry and trivia about the barriers to human connection in a society that values entertainment above all else Through a clever act of novelistic subterfuge Bachelder makes us laugh at our penchant for absurd and useless information while drawing us into a dazzling spectacle of his own imagination

The Story of a Plush Bear Laura Lee Hope,1921

Tamed By a Bear Priscilla Stuckey,2018-07-10 Priscilla Stuckey shines a brilliant light on the relationship we long to cultivate with the deepest wellsprings of our wisdom and love This is a groundbreaking book written with extraordinary clarity beauty and radical honesty Gail D Storey author of I Promise Not to Suffer A Fool for Love Hikes the Pacific Crest Trail winner of the National Outdoor Book Award In an age of materialism language of spirit or spirits seems at best suspect and at worst alien or naïve When Priscilla Stuckey begins hearing Bear's voice she is a writer and religious studies professor in her fifties Though she enjoys communing with trees and birds and the land she intellectually knows better than to try talking directly with spirit Yet searching for the truth of her own identity leads her directly toward what she is most skeptical of As Stuckey opens to her spirit animal helper and his affectionate jovial wisdom she begins to realize the slow dawning of faith Tamed by a Bear shows one person responding to the call of her heart which is also the call of Earth to all human beings today to listen to a more than human wisdom so people can address the social and environmental crises facing the world At this moment when the future of life on Earth as we know it hangs in the balance threatened by climate change species extinctions and extreme economic inequality the key to survival is found in answering one question How can humans live more peaceably and sustainably with the rest of nature The heart opening conversations between Bear and Stuckey suggest a reinvigorating of nature spirituality in everyday life Their dialogues show an educated thoughtful person grappling with her skepticism about Earth spirits and gradually saying yes to a call from beyond her intellectual understanding
