

The background of the slide is a solid yellow color. Overlaid on this are several thin, dark red lines that branch out from the left side towards the right. At the end of these lines are small, solid red circles or dots. The lines and dots are more densely packed in the upper left and lower right corners, creating a sense of movement and connectivity across the slide.

AGENDA-SETTING DYNAMICS IN CANADA

Stuart N. Soroka

Agenda Setting Dynamics In Canada

Thomas Griffiths

Agenda Setting Dynamics In Canada:

Agenda-setting Dynamics in Canada Stuart Neil Soroka, 2002 Why do public issues like the environment rise and fall in importance over time To what extent can the trends in salience be explained by real world factors To what degree are they the product of interactions between media content public opinion and policymaking This book surveys the development of eight issues in Canada over a decade AIDS crime the debt deficit the environment inflation national unity taxes and unemployment to explore how the salience of issues changes over time and to examine why these changes are important to our understanding of everyday politics Agenda Setting Dynamics in Canada offers one of the first empirical analyses of the interaction of the media the public and policymakers in Canada and more generally makes an important contribution to the study of political communications and policymaking well beyond the Canadian context **Canadian Democracy from the Ground Up** Elisabeth Gidengil, 2014-01-01 Canada is often held up as an example of a healthy democracy However the Canadian public is less enthusiastic about the way our democracy works Rather than focusing on institutional performance this book approaches the democratic deficit from the perspective of the Canadian public and assesses the performance of political leaders and the media in light of Canadians perceptions and expectations In doing so a number of chapters highlight the disjuncture between perceptions and performance For example governments do keep many of their election promises and media coverage is not as negative as we are apt to believe Similarly the book provides new insights into political apathy by drawing on focus group discussions that represent the first attempt to ask politically marginalized Canadians why they have turned their backs on politics By introducing the voice of everyday Canadians this book adds a new perspective to political discussions in this country Canadian Democracy from the Ground Up is essential for anyone who would like to learn how to build a better democracy one that meets the expectations of the Canadian public **An Integrated Approach to Communication Theory and Research** Don W. Stacks, Michael B. Salwen, Kristen C. Eichhorn, 2019-03-14 This new edition provides a comprehensive overview of current theory and research written by the top theorists and researchers in each area It has been updated to address the growing influence of technology changing relationships and several growing integrated approaches to communication and includes seven new chapters on Digital Media Media Effects Privacy Dark Side Applied Communication Relational Communication Instructional Communication Communication and the Law The book continues to be essential reading for students and faculty who want a thorough overview of contemporary communication theory and research **The Oxford Handbook of Canadian Politics** John C. Courtney, David E. Smith, 2010-04-08 Canada officially achieved legislative autonomy in 1931 and has since developed into one of the world's most prosperous democracies Though its political system is widely commended for its stability and fairness it is nonetheless extremely complex Particularly within the past five decades Canada has undergone a vast social and political revolution as exhibited by events such as the Quiet Revolution in Quebec the ratification of the Charter of Rights and Freedoms the Medical Care Act of 1966 and the official

adoption of bilingualism and multiculturalism As the world moves towards globalization technology has likewise facilitated communication between previously isolated provinces and territories within Canada Such developments hold significant implications for the role of Canadian politics both domestically and internationally The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since the country achieved autonomy examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy The Handbook examines recent trends such as the movement towards minority Parliaments and extrapolates potential developments This handbook represents the work of a distinguished array of contributors including some of the world's most prominent scholars of political science This volume renders an objective authoritative portrait of the Canadian political system it is indispensable to anyone interested in the topic

Permanent Campaigning in Canada Alex Marland, Thierry Giasson, Anna Lennox Esselment, 2017-06-28 Election campaigning never stops That is the new reality of politics and government in Canada where everyone from staffers in the Prime Minister's Office to backbench MPs practise political marketing and communication as though each day were a battle to win the news cycle Permanent Campaigning in Canada examines the growth and democratic implications of political parties relentless search for votes and popularity and what constant electioneering means for governance With the emergence of fixed date elections and digital media each day is a battle to win mini contests the news cycle public opinion polls quarterly fundraising results by elections and more The contributors case studies reveal how political actors are using all available tools at their disposal to secure electoral advantage This is the first study of a phenomenon including the use of public resources for partisan gain that has become embedded in Canadian politics and government

Setting the Agenda Maxwell McCombs, 2014-02-07 Setting the Agenda describes the mass media's significant and sometimes controversial role in determining which topics are at the centre of public attention and action In this new edition of his comprehensive book Max McCombs one of the founding fathers of the agenda setting tradition of research extends his previous synthesis of hundreds of studies carried out on this central role of the mass media in the shaping of public opinion Across the world the mass media strongly influences how we picture public affairs In describing this media influence on what we think about and how we think about it Setting the Agenda also discusses the sources of these media agendas the psychological explanation for their impact on the public agenda and the subsequent consequences for attitudes opinions and behaviour New to this edition McCombs debates the role of the expanded media landscape on agenda setting the impact of the internet on the power of legacy media and the role of agenda setting beyond the realm of public affairs This fully updated new edition will prove invaluable to students of media communications and politics as well as those interested in the role of mass media in shaping and directing public opinion

The Routledge Handbook of

Environment and Communication Anders Hansen, Robert Cox, 2015-03-05 This Handbook provides a comprehensive statement and reference point for theory research and practice with regard to environment and communication and it does this from a perspective which is both international and multi disciplinary in scope Offering comprehensive critical reviews of the history and state of the art of research into the key dimensions of environmental communication the chapters of this handbook together demonstrate the strengths of multi disciplinary and cross disciplinary approaches to understanding the centrality of communication to how the environment is constructed and indeed contested socially politically and culturally Organised in five thematic sections The Routledge Handbook of Environment and Communication includes contributions from internationally recognised leaders in the field The first section looks at the history and development of the discipline from a range of theoretical perspectives Section two considers the sources communicators and media professionals involved in producing environmental communication Section three examines research on news entertainment media and cultural representations of the environment The fourth section looks at the social and political implications of environmental communication with the final section discussing likely future trajectories for the field The first reference Handbook to offer a state of the art comprehensive overview of the emerging field of environmental communication research this authoritative text is a must for scholars of environmental communication across a range of disciplines including environmental studies media and communication studies cultural studies and related disciplines

Health Care Policy and Opinion in the United States and Canada Richard Nadeau, Éric Bélanger, François Pétry, Stuart N Soroka, Antonia Maioni, 2014-07-11 Heated debate surrounds the topic of health care in both the US and in Canada In each country these debates are based in some measure on perceptions about health care in their neighboring country The perceptions held by Canadians about the US health care system or those held by Americans about Canada end up having significant impact on health policy makers in both countries Health Care Policy and Opinion in the United States and Canada examines these perceptions and their effects using an extensive cross national survey made up of two public opinion polls of over 3 500 respondents from the US and Canada The book first develops a rigorous and detailed explanation of the factors that contribute to levels of satisfaction among Americans and Canadians with respect to their health care systems It then attempts to study the perceptions of Canadians vis vis the US health care system as well as the perception of Americans toward Canada s health care system The authors examine how these perceptions impact health policy makers and show how the survey results indicate remarkable similarities in the opinions expressed by Americans and Canadians toward the problems in the health care system heralding perhaps a measure of convergence in the future The authors present how perceptions on health care indicate elements of convergence or divergence between the views of Canadians and Americans and discuss how these citizen opinions should inform health care policy change in both countries in the near future This book should generate interest in scholars of health care public opinion and comparative studies of social policies and public opinion

Critical Policy Studies Michael

Orsini, Miriam Smith, 2011-11-01 Traditional definitions of public policy in Canada have been challenged in recent years by globalization the transition to a knowledge based economy and the rise of new technologies Critical Policy Studies describes how new policy problems such as border screening and global warming have been catapulted onto the agenda in the neo liberal era The book also surveys the recent evolution of critical approaches to policy studies which have transformed decades old issues Contributors conceptualize the ways in which public policy questions cut across the traditional fields of policy They cover both topical approaches such as Foucauldian and post empiricist analysis and new applications of established perspectives such as political economy Conventional methodologies reveal new connotations when used to explore such topics as security issues Canadian sovereignty welfare reform environmental protocol Aboriginal policy and reproductive technologies Critical Policy Studies provides an alternative to existing approaches to policy studies and will be welcomed by scholars students and practitioners of political science and public policy Canadian Natural Resource and Environmental Policy, 2nd ed. Melody Hessing, Michael Howlett, Tracy Summerville, 2011-11-01 In this new and updated edition the authors once again examine policy making in one of the most significant areas of activity in the Canadian economy natural resources and the environment and discuss the evolution of resource policies from the early era of exploitation to the present era of resource and environmental management Using an integrated political economy and policy perspective the book provides an analytic framework from which the foundation of ideological perspectives administrative structures and substantive issues are explored Departing from traditional approaches that emphasize a single discipline or perspective it offers an interdisciplinary framework with which to think through ecological political economic and social issues It also provides a multi stage analysis of policy making from agenda setting through the evaluation process The integration of social science perspectives and the combination of theoretical and empirical work make this innovative book one of the most comprehensive analyses of Canadian natural resource and environmental policy to date Its illumination of the key elements of government policy making in this critical sector and its new outline of the evolution of the Kyoto Protocol makes it a useful textbook and resource for students of environmental and public policy policy makers and environmental organizations
