Cordie, Anthony H. Catanach Jr., 2008-06-27 Explains how faculty members can improve their teaching methods or how accounting units can improve their curricula programs **Intermediate Accounting** Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2016-03-28 This text is an unbound binder ready edition Kieso Weygandt and Warfield s Intermediate Accounting Sixteenth Edition continues to set the standard for students and professionals in the field The 16th edition builds on this legacy through new innovative student focused learning Kieso maintains the qualities for which the text is globally recognized including its reputation for accuracy comprehensiveness accessibility and quality problem material that best prepares students for success on the CPA exam and accounting careers The 16th edition offers the most up to date coverage of US GAAP IFRS in a format suited to the complex challenges of teaching intermediate accounting in these changing times WileyPLUS sold separately from text *More Than a Numbers Game* Thomas A. King, 2011-02-17 The world certainly suffers no shortage of accounting texts The many out there help readers prepare audit interpret and explain corporate financial statements What has been missing is a book offering context and discussion for divisive issues such as taxes debt options and earnings volatility King addresses the why of accounting instead of the how providing practitioners and students with a highly readable history of U S corporate accounting More Than a Numbers Game A Brief History of Accounting was inspired by Arthur Levitt s landmark 1998 speech delivered at New York University The Securities and

Exchange Commission chairman described the too little challenged custom of earnings management and presaged the breakdown in the US corporate accounting three years later Somehow over a one hundred year period accounting morphed from a tool used by American railroad managers to communicate with absent British investors into an enabler of corporate fraud How this happened makes for a good business story This book is not another description of accounting scandals Instead it offers a history of ideas Each chapter covers a controversial topic that emerged over the past century Historical background and discussion of people involved give relevance to concepts discussed The author shows how economics finance law and business customs contributed to accounting s development Ideas presented come from a career spent working with accounting information

Strategic Management in the 21st Century Timothy J. Wilkinson,Vijay R. Kannan,2013-05-22 Covering both practical and theoretical aspects of strategic management this three volume work brings the complex topic down to earth and enables readers to gain competitive business advantages in their marketplace This clear insightful and interesting work covers all aspects of strategic management including chapters that discuss SWOT Strengths Weaknesses Opportunities and Threats analysis the Resource Based View transaction cost economics and real options theory Unlike other books this three volume work examines strategic management from different perspectives effectively interweaving seemingly disparate subdisciplines such as entrepreneurship and international business with specialized foci such as creativity innovation and trust Incorporating information from contributors as varied as a proprietor of a worldwide motorcycle business to one of the most published scholars in the field of international strategic management the practical and theoretical perspectives presented in Strategic Management in the 21st Century will benefit business strategists professors of strategic management and graduate students in the field

Analyzing the Fair Market Value of Assets and the Stakeholders' Investment Decisions Dr. Anis I. Milad,2019-06-06 This dissertation was designed to investigate the relationship between the fair market value of assets and stakeholders investment decisions The Financial Accounting Standard Board FASB is primarily responsible for establishing generally accepted accounting principles GAAP Weygandt Kieso and Kimmel 2003 According to the FASB GAAP require disclosing of the fair value of assets of organizations This research investigated the effect of the disclosure of fair value of assets on stakeholders investment decisions The research question was How does the hidden market value of assets affect male and female stakeholders investment decisions The survey positively answered this question Both female and male respondents 519 agreed the market value of assets helps them make better investment decisions The participants equally shared the need to know the current market value of the company s assets to make better investment decisions The investment decisions were shared evenly by the female and male participants

Cruise Management Alexis Papathanassis,Michael H. Breitner,Cornelia Schoen,2011-11-03 Increasingly cruise operators are utilising information and communication technologies ICTs to improve service effectiveness and process efficiency both on and off board Therefore it is worth initiating a discussion on the potential and challenges ICTs entail for

both cruise operators back offices and for cruisers consumption experiences This book documents the proceedings of the 1st e Cruising Conference Bremerhaven Germany which was aimed at discussing the possibilities and applicability of ICTs and mobile services in various aspects of cruise operations Following a rigorous double blind review the best papers were chosen to be incorporated in this volume **Teaching IFRS** Richard M.S. Wilson,Ralph W. Adler,2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal
