Air Waves From Hell

John William McMullen

Air Waves From Hell:

Air Waves from Hell Father Frank Poncelet, 1991-01-01 **Airwaves** William O'Shaughnessy, 1999 *Air Waves* is a collection of poignant vividly portrayed and emotion laden stories written for the airwaves under the guise of editorials of the air The broadcaster writer is William O Shaughnessy who took a small regional radio station in New Rochelle and turned it into what the Wall Street Journal has described as the quintessential community radio station in America WVOX is also his bully pulpit for defending our most precious freedoms **Hell's Angels** Hunter S. Thompson, 2012-08-01 Gonzo journalist and literary roustabout Hunter S Thompson flies with the angels Hell s Angels that is in this short work of nonfiction California Labor Day weekend early with ocean fog still in the streets outlaw motorcyclists wearing chains shades and greasy Levis roll out from damp garages all night diners and cast off one night pads in Frisco Hollywood Berdoo and East Oakland heading for the Monterey peninsula north of Big Sur The Menace is loose again Thus begins Hunter S Thompson s vivid account of his experiences with California s most notorious motorcycle gang the Hell s Angels In the mid 1960s Thompson spent almost two years living with the controversial Angels cycling up and down the coast reveling in the anarchic spirit of their clan and as befits their name raising hell His book successfully captures a singular moment in American history when the biker lifestyle was first defined and when such countercultural movements were electrifying and horrifying America Thompson the creator of Gonzo journalism writes with his usual bravado energy and brutal honesty and with a nuanced and incisive eye as The New Yorker pointed out For all its uninhibited and sardonic humor Thompson s book is a thoughtful piece of work As illuminating now as when originally published in 1967 Hell s Angels is a gripping portrait and the best account we have of the truth behind an American legend John William McMullen, 2005-11-01 A fallen angel reveals Satan s secrets in letters to an agnostic lapsed Catholic professor at a midwestern college **The Connected** B. Reid H. B. Reid, H. B. Reid, 2010 The year is 2030 Science has developed MEMORMAX a drug that greatly enhances memory function Those who have taken MEMORMAX are quicker and smarter and have taken control society Those who do not are considered pariahs They have been hounded like animals and their numbers are diminishing disastrously Ford Hughson is one of these and is struggling for survival against an enemy much smarter than he Treason on the Airwaves Judith Keene, 2008-12-30 This work traces the extraordinary journeys of three World War II radio broadcasters in Germany and Japan whose wartime choices became treason in Britain Australia and the United States John Amery a member of a well connected British family joined Hitler s propagandists in Berlin He was executed for treason by Britain after the war Charles Cousens was a soldier in Japanese captivity when he was put to work on Radio Tokyo with a team of Allied POWs Cousens was later tried as a traitor in Australia Iva Toguri better known as Tokyo Rose was an American student visiting Japan when war broke out She broadcast her English show on Radio Tokyo out of necessity rather than conviction The United States jailed Toguri for treason Through these powerful stories this work not only sheds new light on the history of wartime radio broadcasting in

Germany and Japan but also examines the laws of treason in Britain Australia and the United States and the ways in which trials such as these helped shape modern day treason trials All three accounts provoke thoughtful questions as to the nature of justice and the justice of retribution This work traces the extraordinary journeys of three World War II radio broadcasters in Germany and Japan whose wartime choices became treason in Britain Australia and the United States

Popular Radio Kendall Banning, 1927 *The Airwaves of Zion* Howard Dorgan, 1993 Throughout central Appalachia small AM radio stations send forth a steady flow of country western and gospel music regional farm and industry news local advertising and public service information and a Sunday morning and sometimes afternoon fare of locally produced live religious broadcasts Many of these airwaves of Zion programs have become part of the established cultural base of this region having maintained their audiences for decades Nevertheless this genre is in danger of extinction as various social and economic forces combine with changes in the broadcast industry that threaten to drive these programs off the air For over twenty years Howard Dorgan has been listening to airwaves of Zion programs in the Appalachian regions of Virginia West Virginia Kentucky North Carolina and Tennessee Avoiding editorial judgment and academic theorization *The Airwaves of Zion* is Dorgan s first person report on his own reactions to the people and events he encountered during his years of research This ethnographic study provides an overview of radio evangelism in Appalachia by identifying its characteristics and origins and analyzing its present status Dorgan trains his scholar s eye on four case studies within the genre capturing not only the unique character of each of the respective programs and stations but a sense of the larger religious environments within which each case resides This book preserves an endangered segment of the Appalachian religious experience rich in the cultural values and evangelical traditions that make this region unique

Making Airwaves: 60+ Years at Milo's Microphone Milo Hamilton, 2012-01-31 Missing Milo Hamilton has called 11 no hitters and a World Series often in tandem with such broadcast legends as Jack Buck Jack Brickhouse Bob Elson and Harry Caray His work was so well received that he was enshrined into the broadcasters wing of the Baseball Hall of Fame in 1992 He received an even more unexpected honor eight years later election to the exclusive Radio Hall of Fame of which only seven other baseball broadcasters belong He has truly managed to work his way up from humble origins The story he tells in *Making Airwaves 60 Years at Milo s Microphone* is a profile in courage a tale of talent and determination and a behind the
