Bond King:

The Bond King Mary Childs, 2022-03-15 From the host of NPR's Planet Money the deeply investigated story of how one visionary dogged investor changed American finance forever Before Bill Gross was known among investors as the Bond King he was a gambler In 1966 a fresh college grad he went to Vegas armed with his net worth 200 and a knack for counting cards 10 000 and countless casino bans later he was hooked so he enrolled in business school The Bond King is the story of how that whiz kid made American finance his casino Over the course of decades Bill Gross turned the sleepy bond market into a destabilized game of high risk high reward founded Pimco one of today's most powerful secretive and cutthroat investment firms helped to reshape our financial system in the aftermath of the Great Recession to his own advantage and gained legions of admirers and enemies along the way Like every American antihero his ambition would also be his undoing To understand the winners and losers of today's money game journalist Mary Childs argues is to understand the bond market and to understand the bond market is to understand the Bond King
