Book Of Ezekiel Chapters 1 24:

The Book of Ezekiel, Chapters 1-24 Daniel I. Block, 1997-08-26 To most modern readers the book of Ezekiel is a mystery Few can handle Ezekiel's relentless denunciations his unconventional antics his repetitive style and his bewildering array of topics This excellent commentary by Daniel I Block makes sense of this obscure and often misunderstood prophet and demonstrates the relevance of Ezekiel's message for the church today The Book of Isaiah, Chapters 40 66 John N. Oswalt, 1998-03-04 **Ezekiel's Sign-Acts** Tyler D. Mayfield, Penelope Barter, 2024-11-04 The Ezekiel passages describing the instructions for and dramatization of divine messages Ezekiel 3 5 12 24 37 are among the most bizarre in the Hebrew Bible The prophet is commanded to embody his message of judgment to Jerusalem and these actions clarify the oracles they surround Yet these sign acts are frequently overlooked within Ezekiel studies which tend to focus on the book's strange visions and controversial oracles This volume addresses the growing diversity in approaches in Ezekiel studies by inviting international senior and junior scholars to focus on the texts concerning Ezekiel's sign acts It aims to redirect scholarly attention to these often ignored texts which stand so central to understanding the nature of prophecy as well as the overall book of Ezekiel The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples *Ezekiel's Visionary Temple in Babylonian Context* Tova Ganzel, 2021-09-07 Ezekiel's Visionary Temple in Babylonian Context examines evidence from Babylonian sources to better understand Ezekiel's vision of the future temple as it appears in chapters 40 48 Tova Ganzel argues that Neo Babylonian temples provide a meaningful backdrop against which many unique features of Ezekiel's vision can and should be interpreted In pointing to the similarities between Neo Babylonian temples and the description in the book of Ezekiel Ganzel demonstrates how these temples served as a context for the prophet's visions and describes the extent to which these similarities provide a further basis for broader research of the connections between Babylonia and the Bible Ultimately she argues the extent to which the book of Ezekiel models its temple on those of the Babylonians Thus this book suggests a comprehensive picture of the book of Ezekiel's worldview and to contextualize its visionary temple by comparing its vision to

the actual temples surrounding the Judeans in exile *Handbook on the Prophets* Robert B. Jr. Chisholm, 2009-07-01 Provides a thorough introduction to the Old Testament prophetic books considering their historical and social setting while surveying the important theological themes **Urban Legends of the Old Testament** David A. Croteau, Gary Yates, 2019-12-01 Urban Legends of the Old Testament surveys forty of the most commonly misinterpreted passages in the Old Testament **Conquering the World** Brian Schultz, 2009 Unique in its genre and content the War Scroll 1QM presents a vision of an impending eschatological war Although originally interpreted as being the product of a single author from the Qumran Sect the composition's inconsistencies quickly led to the view that it is in fact an eclectic document with an elaborate compositional history Yet all such theories were formulated prior to the publication of War Scroll like texts from Caves 4 and 11 A careful re-examination of the War Scroll suggests instead that what began as a primitive and cohesive composition from the Hellenistic period about a two-stage conquest of the world was eventually updated in order to fit the new historical realities faced by the sectarians under Roman rule **Jealousy in Context** Erin Villareal, 2023-03-22 Attested as both a human and a divine expression the biblical Hebrew term *qin* is most often translated as jealousy or envy In this study Erin Villareal makes the case for reading *qin* as more than a simple reference to an emotion instead locating the term's origins in ancient Israel's social and legal spheres Jealousy in Context evaluates the socioliterary context of *qin* Through a series of case studies examining this term as it is applied to residents' sister wives brothers and husbands in biblical narrative passages Villareal explains that *qin* is felt by people who experience a threat or disruption to their rights and status within a social arrangement or community and is therefore grounded in practical concerns that have social and juridical ramifications Investigating examples of divine *qin* Villareal shows that its social meaning was adapted into theological language about the Israelite deity and his relationship with the people of Israel and that Yahweh expresses *qin* whenever there is a threat to the integrity of his land or his sanctuary Villareal examines the term through this socioliterary lens to reveal ancient Israelite perceptions concerning social organization and divine human relationships Additionally she explores how the socioliterary character of *qin* in the Hebrew Bible communicates representations of ancient Israelite beliefs values and social expectations This convincing new understanding of a key biblical term will be appreciated by students and scholars of the Hebrew Bible Hebrew linguistics and ancient Near Eastern societies more generally *Scripture in Transition* Anssi Voitila, Jutta Jokiranta, 2008-05-31 Altogether 46 essays in honour of Professor Raija Sollamo contribute to explore various aspects of the rich textual material around the turn of the era At that time Scripture was not yet fixed various writings and collections of writings were considered authoritative but their form was more or less in transition The appearance of the first biblical translations are part of this transitional process The Septuagint in particular provides us evidence and concrete examples of those textual traditions and interpretations that were in use in various communities Furthermore several biblical concepts themes and writings were reinterpreted and actualised in the Dead Sea Scrolls illuminating the transitions that took place in

one faction of Judaism The topics of the contributions are divided into five parts Translation and Interpretation Textual History Hebrew and Greek Linguistics Dead Sea Scrolls Present Day
