Calculating Chance: Card and Casino Games Sidney A. Morris, 2024-10-16 This book offers a gentle yet rigorous introduction to probability theory with a special focus on finite probability spaces Drawing inspiration from card games casino games mahjong and two up it also delves into real world applications such as weather forecasting lotteries hereditary diseases and PCR virus testing Discover which casino game gives you the best chance of winning and which one offers the worst odds Assuming only a high school mathematics background this book is an excellent resource for both students and teachers providing clear explanations and engaging examples The technical material is lightened with entertaining stories such as how someone became a millionaire by spotting a flaw in a national lottery and how another person helped fund a war using winnings from a well known card game he invented Engaging and informative this book is perfect for anyone looking to deepen their understanding of probability theory while enjoying some fascinating anecdotes along the way

New York City's Chinese Community Josephine Tsui Yueh Lee, 2007 Beginning in the late 19th century Chinese immigrants arrived in New York City with hopes of more

opportunity for better lives Once confined to a few streets in downtown Manhattan the Chinese people gradually moved throughout the city Their rich cultural traditions contribute to New York s vibrant multicultural community New York City s Chinese Community captures the people culture history businesses events and neighborhoods that have defined this community from the early days to more recent times Historic photographs highlight details from the life and experiences of the Chinese population in New York including their deep rooted heritage and their new American ways of life *The Teahouse Under Socialism* Di Wang,2018-06-15 This text explores urban public life through the microcosm of the Chengdu teahouse Like most public spaces the teahouse was and still is an enduring symbol of Chinese popular culture stemming back centuries and prevailing through political transformations modernization and globalization The time period covered begins basically with the establishment of the People s Republic in 1949 50 goes through the end of the Cultural Revolution and into the post Mao reform era *Great Mahjong Book* Jelte Rep,2012-01-31 Master the game of Mahjong while learning about its legends and history with this entertaining and useful guide An excellent way to learn Mahjong or Mah Jongg The Great Mahjong Book is the perfect resource for beginner or experienced mahjong players Richly illustrated and easy to follow with detailed instructions and clear examples it can help all players improve their game Mahjong beginners get a solid introduction to the rules and equipment they need to get started while better players will find invaluable tips for mastering the game The Great Mahjong Book also includes the entire history of Mahjong as it spread around the globe the equipment and accessories used in the game basic rules how and where the game first developed and all the international variants of Mahjong including China the U S Holland the U K France Germany Italy Japan and Hong Kong Filled with hints fun facts and numerous illustrations of memorabilia and artifacts this authoritative and thoroughly enjoyable book is a perfect gift for anyone interested in this ancient and beguiling game Mahjong players love the game because it s colorful exotic and fun Whether you re a first time player or a pro The Great Mahjong Book is a perfect companion to the wide world of Mahjong

A Gambling Guide Nicolae Sfetcu,2014-05-03 Gambling as a betting action wagering money or something of material value on an event with an uncertain outcome with the primary intent of winning additional money or material goods A guide about what is gambling with a special section for online gambling casino games with both beatable casino games poker blackjack video poker with progressive jackpot pai gow poker sports betting horse racing parimutuel slot machines and other gambling machines and unbeatable casino games baccarat craps roulette keno casino war faro pachinko sic bo let it ride 3 card poker 4 card poker red dog Caribbean stud poker etc and non casino gambling games bingo lottery mahjong backgammon bridge etc Fixed odds gambling in sports is also present in this book with horse racing greyhound racing football particularly association football American football and rugby golf tennis cricket baseball basketball ice hockey snooker motor sports boxing darts cross country skiing and biathlon Please don t forget to take a look to the legality of the gambling and online gambling as well as to the articles warnings and links dedicated to the gambling addiction Extreme

cases of problem gambling may cross over into the realm of mental disorders *Mahjong All Day Long* Ginnie Lo, 2005-03-01 Big sister JieJie and her little brother DiDi watch as their Chinese American parents and extended family pass the time playing mahjong along with enjoying family chats singing good food and hot tea *Filmonomics* André de Palma, Luc Leruth, 2025-04-08 What could movies as diverse as *The Last Samurai* *Cl o* from 5 to 7 or *Dr Strangelove* have in common *Filmonomics* has a simple yet intriguing answer economics as the main driving force of the plot or as the main motivation of the characters actions This book analyses how movie makers use economic and financial motives in their plots or to build their characters Have they done it in line with economic theory Or are they proposing a new angle a new perspective that economists should take note of The authors here do not discuss wages in the film industry or the economics of movies What interests them is the economic motivations underpinning the behaviour of fictional characters in their favourite films They argue that credible movie characters can behave in irrational ways and movie makers occasionally introduce new ideas that economists should take note of A unique contribution this book will be of interest to readers eager to discover what economists have to say about films and film directors It will be indispensable for students and researchers of economics media studies film studies and cultural studies Forthcoming Books Rose Arny, 2002-02
