**The Pain Within** John Schnitzer, 2023-10-16. I wrote my story when I was roughly thirty-six years of age. At that time, I went through depression with suicidal thoughts as I was mostly homeless since I was living out of my car, working when I could, and once out the week, I stayed at a motel as long as my money lasted. That's where I wrote my story. Written in different time frames and after a month, I pieced through it, putting it in chronological order. Thus, the result of *The Pain Within*, I took great pleasure writing it, as I hope you take a greater pleasure reading it.

**The Drift** Anne Nicholas, J.J. Robinson, 2019-12-11. *The Drift Bonded By* Anne Nicholas and J.J. Robinson. Donovan Ashwood wishes he was just a normal teenager. He already has the usual problems of an overbearing father, a bully at school, and of course, school itself. On top of that, Donovan carries the guilt of his mother dying while giving birth to him. He tries to find solace in his only two friends, Brendan and Britney, Palmer twins with high IQs and a similar low social standing. But even that has problems because of the more-than-friends feelings he harbors for Britney. Donovan also has a supernatural problem. When he is of age, he will have the drift, the ability to turn at will into a seven-foot-tall werewolf. His father tries to guide Donovan and help prepare him for the drift, but strange events begin happening to him, culminating in a tragic event that turns his life upside down, opening up a new world he never even knew existed. Donovan will have to become much more than the normal teenager he longs to be and learn about his unusual and unexplainable power and how to control it, or else put his friends and himself in danger.
