All And Only:

Only a Game After All Susan Katrinka Butler, 2016-11-22 Sarah Franklin needs to get her brain cells aligned Not because of some broken love affair though that would have been fun if she could remember such a thing Sarah has just woken up from a coma and the young woman is convinced she s still in high school Bill Petrov is a professor of physics at her new school No way was he looking for a lover but he is smitten with Sarah the first day of school He knows better than to be attracted to a high school student yet there s something different about her She reacts differently than other students is totally serious and absorbs everything in class When they talk she teases Bill offering innuendo or suggestions that totally take him off guard Analyzing their conversations later he realizes her words are out of sync with today s teenage lingo and are more like those of a colleague than a student The paradox only increases his fascination with her He looks forward to seeing Sarah every day exchanging a smile or wondering what she ll say next to unnerve him Sarah is totally unprepared for the onset of her feelings toward her teacher yet she still looks forward to her physics class without any understanding of why it makes her so happy Will Sarah remember her past and what will happen when if she does DID YOU GIVE YOU'RE MAN YOU'RE ALL ONLY TO FIND OUT THAT YOU'RE THE OTHER WOMAN? TJ CLEMONS, 2019-07-26 The game of love is often played without rules and regulations with the heart taking the impact of its many injuries We all know at least one woman who has fallen for the affections and promises of a married or otherwise attached male who has the ability to string her along with illusions of a future together and a happily ever after that is almost close enough to attain She waits for him She craves his attention and admiration Along the ways she falls into the role of his lover confidant and best friend She is known to us as his mistress She is faithful and in some cases cherishes her place in his life as the other woman This often becomes a prison of love Her undying loyalty to her man is as habitual as a drug addict dependent on their next fix She will fight for him tooth and nail over and over again even after he retreats back to the comfort of his wife or significant other She takes him into her bed and caters to his every fantasy and desire in hopes of becoming the woman that he cannot live without This is her greatest desire She goes to bed every night with him on her mind And she wakes up with wanting him next to her He becomes her reason for being Her high is being in his presence and making his wishes a reality She ultimately becomes lonely and wants her place as the queen of his kingdom *All I want is you* Angela Barresi, 2014-02-21 All I Want Is You is a U2 fan s music story It s about her love for the band s music and for the men behind the musicians admiring their keen intelligence their humanitarian principles and moral values The book is a collection of articles from the author Angela Barresi published online for the Italian website U2360GRADI IT for which she has been a contributor for many years writing for the column 360Pink and giving readers a female s point of view of the band The idea of these articles comes from a desire to share experiences and feelings that great music can inspire among all the readers Men and women of all ages backgrounds and cultures all feel the same passion for this band U2 achieve in bringing together people and generations that otherwise
