All Misemono

E. Taylor Atkins

All Misemono:

Visions of Japanese Modernity Aaron Andrew Gerow, 2010 In this study Aaron Gerow focuses on the early period in which the institutional and narrational structure of Japanese cinema was in flux arguing that the transnational intertext is less important than the power laden operations by which the meaning of cinema itself was discursively defined Both progressive critics of the pure film movement and the more conservative Japanese cultural bureaucrats demanded a unitary text that suppressed the hybrid and unpredictable meanings attendant on early Japanese cinema's informal exhibition contexts Gerow points out the irony that the progressive and individualist pure film movement critics worked in concert with the Japanese state to undo the theft of Japanese cinema proposing to replace representations of Japan in Western films by exporting a Japanese cinema reformed to emulate the international norm *The Oxford Handbook of Silent Cinema* Rob King, Charlie Keil, 2024

The Oxford Handbook of Silent Cinema is a collection of new scholarship that investigates the first decades of motion picture history from diverse perspectives and methodologies Featuring over thirty essays by leading scholars in the field the Handbook offers a comprehensive overview of cinema's earliest years while also illuminating how cinema derived strength from competing cultural forms becoming in the process the most influential mass medium of the early twentieth century **Fertility and Pleasure** William R. Lindsey, 2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values Their differences both real and idealized indicate the full range of female roles and sexual values affirmed by Tokugawa society with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other The roles of courtesan and bourgeois housewife were each tied to a set of value based behaviors the primary institution to which a woman belonged and rituals that sought to model a woman's comportment in her interactions with men and figures of authority For housewives it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of female obedience loyalty to the husband's household and sexual activity aimed at producing an heir Pleasure values by contrast flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello's bottom line What William Lindsey reveals in this well researched study is that although the values that idealized the role of wife and courtesan were highly disparate the rituals symbols and popular practices both engaged in exhibited a degree of similitude and parallelism **Fertility and Pleasure** examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm transcend or resist these sets of sexual values In doing so it affords new views of Tokugawa society and Japanese religion Highly original in its theoretical approach and its juxtaposition of texts **Fertility and Pleasure** constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures

A History of Popular Culture in Japan E. Taylor Atkins, 2022-09-08 The phenomenon of Cool Japan is one of the distinctive

features of global popular culture of the millennial age A History of Popular Culture in Japan provides the first historical and analytical overview of popular culture in Japan from its origins in the 17th century to the present day using it to explore broader themes of conflict power and meaning in Japanese history E Taylor Atkins shows how Japan was one of the earliest sites for the development of mass produced market oriented cultural products consumed by urban middle and working classes From traditional monochrome ink painting court literature and poetry to anime manga and J Pop popular culture was pivotal in the rise of Japanese nationalism imperialism militarism and economic development and to the present day plays a central role in Japanese identity With updated historiography throughout this fully revised second edition features A new chapter on popular culture in the Edo period An expanded section on pre Tokugawa culture More discussion on recent pop culture phenomena such as TV game shows cuteness and J Pop 10 new images A new glossary of terms including kanji This improved edition is a vital resource for students of Japanese cultural history wishing to gain a deeper understanding of Japan s contributions to global cultural heritage

The Curious Case of the Camel in Modern Japan Ayelet Zohar, 2022-08-22 In *The Curious Case of the Camel in Modern Japan* Ayelet Zohar critically analyzes camel images as a metonymy for Asia and Japanese attitudes towards the continent The book reads into encounters with the exotic animals from nanban art realist Dutch influenced illustrations through misemono roadshows of the first camel pair imported in 1821 Modernity and Japan s wars of Pan Asiatic fantasies associated camels with Asia s poverty bringing camels into zoos tourist venues and military zones as lowly beasts of burden while postwar images project the imago of exotica and foreignness on camels as Buddhist peace messengers Zohar convincingly argues that in the Japanese imagination camels serve as signifiers of Asia as Otherness the opposite of Japan s desire for self association with Western cultures

Silent Cinema and the Politics of Space

Jennifer M. Bean, Anupama Kapse, Laura Horak, 2014-04-02 In this cross cultural history of narrative cinema and media from the 1910s to the 1930s leading and emergent scholars explore the transnational crossings and exchanges that occurred in early cinema between the two world wars Drawing on film archives from around the world this volume advances the premise that silent cinema freely crossed national borders and linguistic thresholds in ways that became far less possible after the emergence of sound These essays address important questions about the uneven forces geographic economic political psychological textual and experiential that underscore a non linear approach to film history The messiness of film history as demonstrated here opens a new realm of inquiry into unexpected political social and aesthetic crossings of silent cinema

Archiv 65 Weltmuseum Wien Friends, [Museum Frictions](#) Ivan Karp, Corinne A. Kratz, Lynn Szewajda, Tomas

Ybarra-Frausto, 2006-12-07 *Museum Frictions* is the third volume in a bestselling series on culture society and museums The first two volumes in the series *Exhibiting Cultures* and *Museums and Communities* have become defining books for those interested in the politics of museum display and heritage sites Another classic in the making *Museum Frictions* is a lavishly illustrated examination of the significant and varied effects of the increasingly globalized world on contemporary museum

heritage and exhibition practice The contributors scholars artists and curators present case studies drawn from Africa Australia North and South America Europe and Asia Together they offer a multifaceted analysis of the complex roles that national and community museums museums of art and history monuments heritage sites and theme parks play in creating public cultures Whether contrasting the transformation of Africa s oldest museum the South Africa Museum with one of its newest the Lwandle Migrant Labor Museum offering an interpretation of the audio guide at the Guggenheim Bilbao reflecting on the relative paucity of art museums in Peru and Cambodia considering representations of slavery in the United States and Ghana or meditating on the ramifications of an exhibition of Australian aboriginal art at the Asia Society in New York City the contributors highlight the frictions contradictions and collaborations emerging in museums and heritage sites around the world The volume opens with an extensive introductory essay by Ivan Karp and Corinne A Kratz leading scholars in museum and heritage studies Contributors Tony Bennett David Bunn Gustavo Buntinx Cuauht moc Camarena Andrea Fraser Martin Hall Ivan Karp Barbara Kirshenblatt Gimblett Corinne A Kratz Christine Mullen Kreamer Joseph Masco Teresa Morales Howard Morphy Ingrid Muan Fred Myers Ciraj Rassool Vicente Razo Fath Davis Ruffins Lynn Szwaja Krista A Thompson Leslie Witz Tom s Ybarra Frausto

Professor Risley and the Imperial Japanese Troupe Frederik L. Schodt, 2012-12-04 The little known true story of how a flamboyant circus promoter helped introduce Japan to the West in the late 19th century Professor Risley Richard Risley Carlisle introduced the Western circus to Japan in 1864 Three years later this former acrobat gave many in the West their first glimpse of Japan when he took his Imperial Japanese Troupe of acrobats and jugglers on a triumphant tour of North America and Europe Over the next few years the Troupe performed before presidents monarchs and ordinary citizens Frederik L Schodt argues compellingly that such early popular entertainments helped stir a curiosity about all things Japanese that eventually led to japonisme The Mikado and in our time the boom in manga and anime Schodt s depiction of Risley and his troupe is enlivened by portraits of the circus demimonde and supported by nineteenth century photographs posters and drawings many in color His accounts of these first meetings between Westerners and Japanese shed new light on how different cultures meet mingle and influence each other Descriptions of crowds dazzling routines and superstar troupe performers like the famous Little All Right are a delightful revelation to anyone interested in Asia the circus and popular entertainment

Writing Cinema Aaron Andrew Gerow, 1992

Whispering the Techniques of Language: An Psychological Quest through **All Misemono**

In a digitally-driven earth wherever screens reign great and immediate interaction drowns out the subtleties of language, the profound strategies and emotional nuances hidden within words often go unheard. Yet, set within the pages of **All Misemono** a captivating fictional value pulsing with fresh emotions, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, this enchanting opus encourages viewers on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the cloth of each and every word. Within the psychological depths with this touching evaluation, we will embark upon a honest exploration of the book is primary styles, dissect their captivating writing style, and succumb to the powerful resonance it evokes deep within the recesses of readers hearts.
