Wells, 2006-09 Accident prone you might wonder Not really But Anthony Pasqualetti is acutely aware that the incidents in his long and fulfilling life are rich with close calls death defying thrills and uncanny acts of bravery and singular episodes where any one man could have easily succumbed or chose to flee Anthony G Pasqualetti chose to take on his life lessons with integrity honesty and clarity Each close call made him wonder what the Good Lord had in store for him Yet each brush with death confirmed his lust for life and his ability to work diligently through adversity He considers himself a common man found in uncommon circumstances He always tries to deal with whatever comes along as a test and a process by which he would grow stronger and more resilient Tony is a man who doesn t see why people are amazed that he has lived to the age of 80 since any ten men should have given up when faced with so many personal perils This story is told completely from the author s perspective A simple tale in complexity a string of diverse dilemmas handled with pragmatic certainty Tony is somewhat amazed to find out that he was born to survive with a will to live **We All Have a Destiny** Nick Cascione, 2019-03-08 We All Have a Destiny is a magical and sometimes tragic story of a boy who is named after a particular renowned priest from his parents homeland in Italy The young boy is similar to his namesake in the simplicity of his good heart and through a spiritual connection they both share From the moment he was born the stars of the night danced in great celebration His parents instill in him much confidence by giving their only child numerous words of encouragement to let him know how very special they believe him to truly be It is these positive words that have a way of penetrating the very being of this unique young boy which allows his heart to humbly believe these very sentiments As he becomes a man realization of the importance of his essential upbringing reveals how his faith affects his fate Although his life is a darkened mystery at times it is through his faith alone that he is enlightened The puzzling questions of life for him are answered in the wondrous signs he uniquely receives through intuitive abilities These signs from above help mold him exactly into the man whom he is destined to become As the story unfolds his

once darkened mysteries will be illuminated in such a way as to reveal to him what he spends his whole life searching for his destiny
