his family once again Jed hitches the train with Louie and they set off for Wyoming Upon arriving in Cheyenne they found Wyoming s capital deserted and covered in the very same peculiar feathers The next few towns along the railroad all share the same description no bodies in sight and covered in the same feathers Only one town along the railway has been spared from the disappearances Lemonstown a town near the Red Desert remains active but unaware of the fate of the other towns Fearing that Lemonstown would be the next town to be raided the two postal inspectors must solve the mystery of the strange creature and help the townspeople before Lemonstown becomes the next ghost town covered in feathers **Know Your Parakeets-budgies** Earl Schneider, *The Avicultural Magazine* ,1927
