Christine Trujillo,2020-10-06 This is a memoir of my life and how God used death loss alcoholism sickness anger and divorce to transform me through His redemptive work I reveal how early in my life I tried to control all the events that occurred but this only brought more pain hurt and heartache I was going down a dead end path that was leaving me stagnate in my spiritual life and broken on the inside However God got my attention and offered a way out of all the distress that I was going through He offered me hope love and forgiveness and taught me how to use what I had gone through to help others who are hurting and feeling hopeless My life story is a living testimony of God s love grace and transforming power through the cross He took the ugliness and dysfunction that was in my life and turned it into a beautiful gift from which others may benefit My prayer is that others who read my story may see their value as God s chosen child and come to experience the most precious relationship there is [The Complete Novels of Henry James - All 24 Books in One Edition](#) Henry James,2017-11-15 The
