

THE ANGORA.

THE Angora cat, as its name indicates, comes from Angora, in Western Asia, a province that is also celebrated for its goats with long hair, which is of extremely fine quality. It is said that this deteriorates when the animal leaves that locality. This may be so, but that I have no means of proving; yet, if so, do the Angora cats also deteriorate in the silky qualities of their fur? Or does it get shorter? Certain it is that many of the imported cats have finer and longer hair than those bred in this country; but when are the latter true bred? Even some a little cross-bred will often have long hair, but not of the texture as regards length and silkiness which is to be noted in the pure breed. The Angora cats, I am told, are great favourites with the Turks and Armenians, and the best are of high value, a pure
