A Treatise on Practical Yachtsmanship, Cruising and Racing. By Vanderdecken [i.e. W. Cooper]. With Notes and Additional Chapters by a Clyde Yachtsman. Fourth Edition ,1874

Yachting ,1985-09

All the Year Round ,1878

Kodoku Kenichi Horie,2014-03-25 Kodoku is the true story of a

young Japanese sailor whose fascination with the art of sailing led him on a solo trans Pacific journey First described in a best selling Japanese book then an internationally acclaimed motion picture Kodoku is the full record of the background conception preparation and execution of this daring yet carefully planned adventure It includes not only the full text of his original log but also his supplementary comments adding detail and highlight to the day to day experiences recorded in the log Also included are charts plans and a diagram comparing some of the more noteworthy craft that sailed the open seas in the past The 61 photographs including 43 taken by Horie himself during the trip add a vivid touch to this fascinating story of courage tenacity adventure and humor Heavy Weather Sailing 7th edition Peter Bruce,2016-06-16 For 50 years Heavy Weather Sailing has been regarded as the ultimate international authority on surviving storms at sea aboard sailing and motor vessels The first edition was compiled by Kaines Adlard Coles himself in 1967 Since then technology may have improved but the weather certainly hasn't This is the seventh updated edition edited by racing yachtsman Peter Bruce ensuring that in its 50th year the book remains as relevant and as essential as it has been for the previous five decades The book brings together a wealth of expert advice from many of the great sailors of the present including fresh accounts of yachts overtaken by extreme weather from Ewan Southby Tailleur Alex Whitworth and Peter Cook to Larry and Lin Pardey It also includes a new Foreword by Sir Robin Knox Johnston Britain's most high profile yachtsman of the past 50 years The expert advice section has been updated in line with current thinking and there has been a major update to the chapter focusing on the use of storm sails as well as to the use of drag devices The technique of taking refuge has been reviewed and

updated and the chapters dealing with preparations for heavy weather and its effect on yacht design have been overhauled. These revisions ensure that *Heavy Weather Sailing* is as relevant, useful, and instructive for today's sailor venturing offshore as it ever was, perhaps more so in the light of tragic disasters like the loss of the *Cheeky Raffiki* mid-Atlantic on a delivery trip after her season racing in the Caribbean. This is the definitive book for crews of any size contemplating voyages out of sight of land anywhere in the world, whether racing or cruising. It gives a clear message regarding the preparations required and the tactics to consider when it comes on to blow.

Discover tales of courage and bravery in is empowering ebook, Unleash Courage in **All Seasons Yachtsman** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
