All Weather Friends:

Friends B. J. Gallagher, 2011-09-05 Sometimes it's hard to put into words how much our friends mean to us. Friends comfort us in our times of need, celebrate our triumphs, laugh with us, forgive us, and love us. Luckily, you don't have to come up with the words. In *Friends*, BJ Gallagher has put the wonders of friendship into a book full of original poems and quotes all about friendship. You will delight in each and every page that is laid out in a wonderful scrapbook design. Give this ebook to each and every one of your friends as a beautiful way to say thank you for their gift of friendship. **Dragonomics** Carol

Wise, 2020-03-24 An insightful examination of the political and economic ties between China and Latin America from the 1950s to the present. This book explores the impact of Chinese growth on Latin America since the early 2000s. Some twenty years ago, Chinese entrepreneurs headed to the Western Hemisphere in search of profits and commodities specifically those that China lacked and that some Latin American countries held in abundance: copper, iron ore, crude oil, and soybeans. Focusing largely on Argentina, Brazil, Chile, Costa Rica, Mexico, and Peru, Carol Wise traces the evolution of political and economic ties between China and these countries and analyzes how success has varied by sector, project, and country. She also assesses the costs and benefits of Latin America's recent pivot toward Asia. Wise argues that while opportunities for closer economic integration with China are seemingly infinite, so are the risks. She contends that the best outcomes have stemmed from endeavors where the rule of law, regulatory oversight, and a clear strategy exist on the Latin American side.

Of Heart and Mind Peter Alan Olsson M.D., 2022-01-06 In his new book *Of Heart and Mind: A Psychiatrist's Poems*, retired physician, psychiatrist, and psychoanalyst Dr. Peter Alan Olsson shares the poetry that made his difficult career meaningful. He notes, "My personal use of poetry or prose writing helped me manage soul sadness by discharging, soothing, containing, or sublimating the realities of my work life in psychiatry and psychoanalysis. At a personal level, I often feel that my poems write me in an almost mystical sense. They help me heal my pain, celebrate my artistic gift, and express my feelings." As he writes in his poem *My Lovely Dream Dancer*: "In the delicious, relaxed, loving domain before dawn, we touch like two dream dancers, reluctant to awaken, and the music of our love is too sweet to interrupt. The grasping demands of the day loom like mine fields, but become bearable because we will dance again tonight." *Nepal and China* Gaurav Bhattarai, 2015 *Memento in*
