A Trail Of Ashes:

Hinge Molly Spencer, 2020-10-20 Finding joy and beauty in the face of suffering Readers enter a stunted world where landmarks a river a house a woman's own body have become unrecognizable in a place as distorted and dangerous as any of the old tales poet Molly Spencer remasters in this elegant mournful collection In myth and memory through familiar stories reimagined she constructs poetry for anyone who has ever stumbled unwillingly into a wilderness In these alluring poems myth becomes part of the arsenal used to confront the flaws and failures of our fallible bodies Shadowing the trajectory of an elegy this poetry collection of lament remembrance and solace wrestles with how we come to terms with suffering while still finding joy meaning and beauty Spencer alternates between the clinical and the domestic disorientation and reorientation awe and awareness With the onset of a painful chronic illness the body and mental geography turn hostile and alien In loss and grief in physical and psychological landscapes Spencer searches the relationship between a woman's body and her house places where she is both master and captive and hunts for the meaning of suffering Finally with begrudging acceptance we have a hypothesis for all seasons there is suffering there is mercy they are not separate but are for and of one another

The Era of Ashes Barshay A. Tabor, 2009-04 Welcome to Nortna a post apocalyptic world ravaged by unceasing wars and battles and reduced to nothing but ashes leaving burnt shells of villages where vestiges of humanity and civilization are nothing more than the smoke that rises from the death and destruction In the midst of despair a lone warrior named Naflaine will rise to fight for the last of his kind Armed with courage and conviction Naflaine half elf half dragon will do what those before him failed to do in order to save his dragon kin from complete annihilation before it is too late The few dragon survivors that still tenuously exist will band together on a journey to face tremendous odds against all who are trying to destroy and defeat them In *The Era of Ashes* Barshay Tabor creates a fantasy world that is hypnotic and spellbinding in the tradition of renowned writers such as Christopher Paolini and J R R Tolkien Evocative in its detail and ability to transport you to the realm of its netherworld *The Era of Ashes* is a truly unique and imaginative work *Bluebeard* Casie

Hermansson, 2009 *Bluebeard* is the main character in one of the grisliest and most enduring fairy tales A serial wife murderer he keeps a horror chamber in which remains of all his previous matrimonial victims are secreted from his latest bride She is given all the keys but forbidden to open one door of the castle This is a major study of the tale and its many variants in English from the 18th and 19th century chapbooks children's toybooks pantomimes melodramas and circus spectacles to the 20th century in music literature art film and theatre Pyropolitics Michael Marder, 2014-12-12 A highly original theory

Finley, 2022-11-03 Fire and ash are the stuff of Paige LindenaEUR tm's life A new terror was born out of the complications of the day when fire licked at her heels and smoke blackened her heart When the memories Paige left behind come back to

haunt her she must come full circle to her past sins and the sins of the people she thought loved her Nearly a decade and a half later the two men she hoped to never see again show up in town days apart She finds herself terrified that the truth will come out and yet she desires solace in the familiar arms of her unexpected red headed visitor With the help of Lacey and Tessa Michaels the couple that saved her life fourteen years before she starts to see the joy filled possibilities when truth reigns But when the complications of her past compromise her daughter's safety Paige is forced to make a decision that will shake her world no matter which way she turns She must either speak the truth and trust the God of her youth giving her one last chance at the life and love she dreamed of as a child or trust in herself and sever all ties with her past and the love that has re surfaced after lying dormant for so many years A storm like no other is on the horizon and Paige's time to reveal the truth runs short Will she make the right choice before she loses everything Will she allow herself to draw near to the heart of the God who sees her deepest heart aches whose mercies are new every morning and whose love goes beyond her deepest darkest moments Beyond the ashes of her life
