privileged to witness the last days of the horse drawn ice wagons the ragman and even the musical Umbrella Fix It Man All children in homes churches and schools were taught that their behavior was accountable to God and it worked Domestic violence and abuse of women were tolerated and the woman was always to blame Immigrants achieved progress and wealth by the sweat of their brow Family destruction by means of divorce was acceptable and still is as long as lawyers and judges made money My prayer is that everyone who reads this book will realize the pain and suffering a corrupt legal system inflicts on families and that this book fall into the hands of a qualified person who can and will do something about it because divorces do not belong in the court system as a lawsuit
