Asking For Rhetoric The Hebrew Bibles Protean Interrogative:

Asking for Rhetoric Kenneth Craig, 2005-06-01 What is a question Kenneth Craig poses this query in the introductory chapter of his innovative study on the function of interrogatives in the Hebrew Bible He describes a question as a special literary phenomenon A question is an opening that seeks to be closed and its rhetorical play derives from how it disposes its energies how it invites opening how it imposes closure p 2 Carefully analyzing texts from Genesis 1 and 2 Samuel 1 Kings Haggai and Zechariah Craig demonstrates the nuanced and multifaceted ways in which the Hebrew Bible s interrogatives function to advance the Bible s literary and ideological goals

Eloquence Divine Phillip Arrington, 2018-01-01 While serious studies of the Bible s rhetoric have been written for academic readers few have attempted to examine the persuasiveness of speeches directly assigned to the biblical God that so many believe in and worship Further no critic has yet tried to analyze how this God tries to invent and develop His arguments in the Bible as it has come down to us or how this God arranges those arguments or the styles He adopts to make them and the roles memory and delivery play in His arguments Eloquence Divine is one agnostic s attempt at such a study Those in the humanities educators and their students graduates and undergraduates interested in rhetoric persuasive language religion and the Bible are the ones most likely to be interested in this book s explorations in the hope that these readers whatever their beliefs or theoretical preferences can gain greater understanding of how one a fairly popular version of God strives through His eloquence to affect the human audiences in the Bible From the Introduction

David's Capacity for Compassion Barbara Green, 2017-04-20 In this book Barbara Green demonstrates how David is shown and can be read as emerging from a young naive whose early successes grow into a tendency for actions of contempt and arrogance of blindness and even cruelty particularly in matters of cult However Green also shows that over time David moves closer to the demeanor and actions of wise compassion more closely aligned with God Leaving aside questions of historicity as basically undecidable Green s focus in her approach to the material is on contemporary literature Green reads the David story in order applying seven specific tools which she names describes and exemplifies as she interprets the text She also uses relevant hermeneutical theory specifically a bridge between general hermeneutics and the specific challenges of the individual and socially located reader As a result Green argues that characters in the David narrative can proffer occasions for insight wisdom and compassion Acknowledging the unlikelihood that characters like David and his peers steeped in patriarchy and power can be shown to learn and extend wise compassion Green is careful to make explicit her reading strategies and offer space for dialogue and disagreement

The Questions of Jesus in John Douglas Estes, 2012-10-19 In The Questions of Jesus in John Douglas Estes crafts a theory of question asking based on insights from ancient rhetoric and modern linguistics in order to investigate the logical and rhetorical purposes of Jesus questions in the Fourth Gospel

Metaphor Competition in the Book of Job Lance R. Hawley, 2018-03-26 Within the book of Job the interlocutors Job the friends and Yahweh seem to largely ignore one another s arguments This observation

leads some to propose that the dialogue lacks conceptual coherence Lance Hawley argues that the interlocutors tangentially and sometimes overtly attend to previously stated points of view and attempt to persuade their counterparts through the employment of metaphor Hawley uses the theoretical approach of Conceptual Metaphor Theory to trace the concepts of speech and animals throughout the dialogue Beyond explaining the individual metaphors in particular texts he shows how speech metaphors compete with one another most perceptibly in the expressions of job s words are wind With regard to animal metaphors coherence is especially perceptible in the job is a predatory animal metaphor In these expressions the dialogue demonstrates intentional picking up on previously stated arguments Hawley argues that the animal images in the divine speeches are not metaphorical in spite of recent scholarly interpretation that reads them as such Rather Yahweh appears as a sage to question the negative status of wild animals that Job and his friends assume in their significations of people are animals This is especially apparent in Yahweh s strophes on the lion and the wild donkey both of which appear multiple times in the metaphorical expressions of Job and his friends
