Alarm Units! SS Panzergrenadier Brigades 49 and 51 , Training Regulations United States. War Department,

Palestine Edward J. Erickson,2016-10-14 The campaigns fought by the Ottomans against the British in Palestine are often neglected in accounts of the Great War yet they are fascinating from the point of view of military history and critically important because of their impact upon the modern Middle East Edward Erickson s authoritative and absorbing account of the four year struggle for control of Palestine between 1914 and 1918 of the battles fought for Suez Sinai Gaza Jordan and Syria opens up this little understood aspect of the global conflict and it does so in a strikingly original way by covering the fighting from the Ottoman perspective Using Turkish official histories and military archives he recounts the entire course of the campaigns from the initial attack by German led Ottoman forces on Sinai and the Suez Canal the struggle for Gaza and the outbreak of the Arab Revolt to the British offensives the battle for Jerusalem the Ottoman defeat at Megiddo and the rapid British advance which led to the capture of Damascus and Aleppo in 1918 **Bolt Action: Campaign: Italy: Soft**

Underbelly Warlord Games,2021-10-28 With the Axis Powers ejected from North Africa the Western Allies look to take the fight across the Mediterranean and into Mussolini s Italy This supplement for Bolt Action focuses on Operation Husky the airborne and naval invasion of Sicily the hard fought battles in the villages and rugged mountain passes of that island and the advance up the Italian Peninsula towards Rome With a host of scenarios new units special rules and Theatre Selectors this book contains everything players need to refight these important battles in defence of the Regno d Italia or to strike at the underbelly of Axis controlled Europe *Steel and Blood* Ha Mai Viet,2008-10-01 When South Vietnam was abandoned by its American allies and consequently defeated by the North Vietnamese in 1975 all its military records were lost to the enemy This has led to a paucity of factually based analyses of the war by South Vietnamese authors In a project lasting some ten years and financed by his own hard earned resources Colonel Viet has researched documented and analyzed the Vietnam War from the perspective of South Vietnamese armor forces elements in which he himself played an important role as leader teacher and innovator His travels to interview hundreds of people with first hand knowledge of these matters took him back and forth across the United States and to Canada France and Australia and enabled him to piece together the story as recalled by virtually every senior South Vietnamese who was involved along with many of lesser rank but important experience and many Americans as well The result is a unique and invaluable work one recounting from the early days of the Army of the Republic of Vietnam its organization and development its combat operations and its interaction with American advisors and then later with deployed American units Viet tells this story as an historian would not glossing over the shortcomings and failures of his fellow Vietnamese soldiers or of the Americans but also providing definitive accounts of their successes their innovations their courage and determination and the hardships experienced and survived in the course of a long difficult and ultimately unsuccessful struggle In Colonel Viet s words In order to give the truth back to history we did

not hide anything whether it be victory or defeat Finally in a very touching portion of the work Colonel Viet memorializes his fallen comrades of the armored force and commemorates the service of all the American advisors to the armored force he was able to identify The Organization of Ground Combat Troops Kent Roberts Greenfield, Robert Roswell Palmer, Bell Irvin Wiley, 1947 **Salvation and Catastrophe** Konstantinos Travlos, 2020-10-14 The Greek Turkish War of 1919 1923 also known as the Western Front of the Turkish War of Liberation and the Asia Minor Campaign was one of the key aftershocks of the First World War Internationally better known for its aftermath the Compulsory Population Exchange between Greece and Turkey the Catastrophe of Ottoman Greeks and the foundation of the Republic of Turkey under Mustafa Kemal Atatürk the war has never been given a holistic treatment in English despite its long shadow over the Greek Turkish relationship The contributors in this volume address this gap by bringing to the fore on its centenary aspects of the onset conduct and aftermath of this war Combining insights from the study of international relations political science strategic studies military history migration studies and social history the contributions tell the story of leaders and decisions battles and campaigns voluntary and involuntary migration and the human stories of suffering and resilience It is aspects of the story of the last gasp of the Great War in Europe brought to its final end with Treaty of Lausanne of 1923 **Operation Kinetic** Sean M. Maloney, 2018-07-01 In the late 1990s NATO led the Kosovo Force KFOR charged with stabilizing Kosovo and the former Yugoslav Republic of Macedonia after genocide and other atrocities were carried out in the Balkan region Operation Kinetic is not only a history of the origins and operations of the Kosovo Force but also a history of the vital operations conducted by the Canadian Army units and their allies assigned to KFOR during the crucial early days and months after entry into the province in 1999 and through 2000 Operating alongside American British French Norwegian Finnish and Swedish forces these surveillance and response units were instrumental in preventing violence in numerous areas before it could escalate and draw in the Serbian Army which could have led to further genocide or war in the region Sean M Maloney a Canadian military historian with extensive field experience in the Balkans draws on numerous interviews and firsthand accounts of an operation that would later serve as a model in preparing for similar efforts in Afghanistan and provide a blueprint for stabilizing operations around the world **Riverine Warfare: Vietnam** United States.
