

GCSE Assessment Criteria

Below are the assessment criteria that your art work will be marked against. Every project you complete is marked and the same marking criteria are always used. Make sure you understand what each box means so that you can work hard to reach your full potential in regards of each area.

This is the marking details produced by the exam board, AQA:

AO1	AO2	AO3	AO4
<i>Develop their ideas through investigations informed by contextual and other sources demonstrating analytical and cultural understanding.</i>	<i>Refine their ideas through experimenting and selecting appropriate resources, media, materials, techniques and processes.</i>	<i>Record ideas, observations and insights relevant to their intentions in visual and/or other forms.</i>	<i>Present a personal, informed and meaningful response demonstrating analytical and critical understanding, realising intentions and where appropriate, making connections between visual, written, oral or other elements.</i>

This is what it actually means:

AO1	AO2	AO3	AO4
Looking at artists, craftspeople and designers to help your work. Showing that you can analyse art that inspires you and showing that you understand the cultural background to the art.	Using lots of different materials like painting and printing. Experimenting to see what works and what doesn't. Improving your work as it progresses.	Writing and drawing your ideas out – making these ideas link to your research from AO1. This includes brainstorming – visually and written. Drawing from objects in front of you.	This is the work that you make at the end of the project (it might not just be one piece). This should be linked to your inspirations (AO1), your experiments (AO2) and your drawings and finished ideas (AO3).
