

The background of the book cover features a large, detailed stone relief from an Assyrian palace. On the left, a lion is depicted in a dynamic pose, its body curved as if in mid-stride or a roar. The lion's mane and tail are intricately carved with circular and wavy patterns. To the right of the lion, there are stylized floral or foliate motifs. The entire relief is set against a solid teal background. A black rectangular box is superimposed over the right side of the cover, containing the title and author information.
