The Astrology of Relationship Michael R. Meyer, 2000-01-20 Of all the branches of astrology it is probably synastry the technique of comparing the birth charts of two or more persons that most fascinates those who practice astrology today This is the first book to deal thoroughly with the basic purpose and techniques of chart comparison in clear contemporary terms Going beyond the simplistic popular methods which compare only sun signs Michael Meyer's humanistic approach to synastry offers a responsible tool for understanding the mutually constructive aspects of any relationship The Astrology of Relationship introduces the concept of relationship with a brief overview of its place in traditional astrological practice and its relation to certain Eastern Philosophical concepts Explaining the significance of planets houses and signs in determining personal compatibility Meyer offers a step by step technique for chart comparison including full instructions for casting and interpreting zodiacal contact house contact and composite charts To demonstrate the methods described the book concludes with synastry analyses of three important relationships in history Sigmund Freud and Carl Jung George Sand and Frederic Chopin and founders of the Theosophical Society Madame Blavatsky and Henry Olcott Michael R Meyer is the author of A Handbook for the Humanistic Astrologer and The Astrology of Change Horary Astrology and its Humanistic Applications

Astrology of Health Noel Eastwood, 2016-04-01 Based on his successful Health Astrology course Noel Eastwood's Astrology of Health is a highly insightful practical and accessible work Discover how elemental dominance manifests in our psyche and our body how Planets Signs and Houses correspond to potential problem areas and how our mental and physical health can be affected by transits directions and progressions Examines chart after chart highlighting the physical and psychological health conflicts between Planets Signs and Houses Learn how to see health problems in a chart before it manifests No traditionally trained Tibetan healer would prepare a herbal prescription for a patient without first drawing up their astrological charts It was the same back in the Middle Ages in European culture astrology and medicine were one The five year Degree in Traditional Tibetan Medicine or the Degree of Traditional Tibetan Astrology was required before a healer was permitted to practice Thirty percent of the staff at the Tibetan Medical Astrological Institute of His Holiness the Dalai Lama of Dharamsala were involved solely in the preparation of astrological charts A patient's natal chart is still used for

initial diagnosis and in determining the best medical remedies and treatment A work of love and one that he now passes on to those astrologers and healers who wish to know a little more of the link between astrology and health As a retired psychologist he has tried to tone down his bias towards psychological health in the charts but as a healer he recognises just how important the link between mind and body truly is The lively conversational format will both entertain and enlighten you Reviews Noel Eastwood is an amazing astrologer and gifted writer I have never found so much good information about the astrology of health in any other book AC Beautifully written book that looks at individuals likely health issues through their predominance of the elements in their charts It looks at whether one has a Fire Earth Air or Water Dominance in their Natal Chart Depending upon the leading element the individual has they will have certain strengths and weaknesses health wise Written in an interactive conversational way between student and teacher it is entertaining and teaches the reader gradually over a number of lessons Along the way It makes use of a number of case study charts to illustrate the lessons of elemental predominance with regards to Health I know the elements are one of the cornerstones of Astrology In understanding more about how their emphasis relates to ones health I found the book highly useful DK Quite informative and I really liked the teacher student format I would have liked more charts on mental illness though Detail oriented AJ I have just completed reading Astrology of Health I literally could not put it down I learned so much By envisioning myself as silent observer at the table with Eastwood s student I participated in each lesson I am not an astrologer Yet I felt I examined each chart I could clearly see the relationship between each astrological influence and how those influences manifested in each person s life I had never thought about medical astrology at that depth nor had I clearly understood how generational charts reflected genetic familiar medical and psychological themes and spiritual lessons I was educated informed excited and amazed CC

Soul Centered Astrology Alan Oken, 2008-06-01 Soul Centered Astrology is a groundbreaking sourcebook Influenced by Theosophical philosophy Alice Bailey and the Ancient Wisdom Teachings Alan Oken describes the evolutionary process of spiritual self development with the twelve astrological signs and their soulcentered planetary rulers and the esoteric significance of the planets in the signs The book features an elevation of the spiritual importance of the ascendant the incarnational relevance of cardinal fixed and mutable crosses and the correlation between astrology and the Seven Rays Revealing the soul s path to inner enlightenment and outer fulfillment it offers a complete course for the serious student of the stars that encompasses and goes beyond birth signs and natal charts Geared to the student traversing a spiritual path Alan Oken teaches the secrets of Esoteric Astrology that have been a focus of study for mystics and initiates throughout the ages
