A Very Small Miracle:

Small Miracle Norman Krasna, 1935 Small Miracles Woody VanKirk, 2018-04-24 If you survived a plane crash without a scratch you would surely say it was a miracle Yes it would be quite a miracle But what if you fell down the stairs and survived without a scratch What would that be Good luck Why wouldn't that be a miracle A small miracle This is about seven cats This is also about miracles Small miracles which happened to these seven cats and how the affect of these miracles helped lead the writer back to God and the path to salvation Do you agree with the writer that there are miracles here or just good luck and coincidences It's for the reader to decide While reading enjoy the feline anecdotes **Small Miracles** A. C. "Pete" Peters, 2007-06 What Christian hasn't questioned their faith in God at some point during their lives Most people accept their faith blindly as children due to parental influence and Pete Peters was no exception An automobile accident at age sixteen changed everything Peters was speeding in a hilly area when his 1951 Ford convertible careened off a steep cliff and crashed one hundred feet below causing his younger brother David to suffer fatal injuries And so began Peters first question How can there be a God that allows innocent people to suffer and die for no reason In later years he witnessed family trauma senseless war famine two divorces and other atrocities From his point of view there was no God to care A self proclaimed intellectual atheist Peters still read about and discussed faith and over the years devoted much thought as to why he felt God logically could not exist After many small miracles eventually occur in his life Peters finally realizes that faith is a gift that is only given to those ready to accept it Peters tells his story in such a compelling and personal way that he will help anyone who is spiritually confused find their way back to God **Small Miracles** Edward M. Lerner, 2010-08-03 After surviving an explosion while using a technologically engineered protective suit Brent Cleary catches the attention of the military and alarms his best friend with increasingly disturbing post accident personality changes *The Shochet (Vol. 1)* Pinkhes-Dov Goldenshteyn, 2024-02-20 An impressively researched and surprisingly accessible portrait of Jewish life in the mid 19th century Kirkus Reviews Set in Ukraine and Crimea this unique autobiography offers a fascinating detailed picture of life in late nineteenth and early twentieth century Tsarist Russia Goldenshteyn 1848 1930 a traditional Jew who was orphaned as a young boy and became a shochet kosher slaughter as a young man is a master storyteller Folksy funny streetwise and self confident he is a keen observer of nineteenth century Eastern Europe both Jewish and non Jewish His accounts are vivid and readable sometimes stunning in their intensity The memoir is brimming with information Goldenshteyn's adventures shed light on communal life persecution family relationships religious practices and beliefs social classes local politics interactions between Jews and other religious communities including Muslims who formed the majority of Crimea's populace epidemics poverty competition for resources migration war modernity and secularization holy men and charlatans acts of kindness and acts of treachery In chronicling his own life Goldenshteyn inadvertently tells a bigger story the story of how a small oppressed people among other minority groups struggled for survival in the massive Russian Empire Until now only a small

circle of Yiddish speaking scholars had access to this extremely significant primary source This translation is a game changer making the treasure trove of information contained in these pages accessible to academics and ordinary readers alike Informed by research in Ukrainian Israeli and American archives and personal interviews with the few surviving individuals who knew Goldenshteyn personally The Shochet is a magnificent new contribution to Jewish and Eastern European history

It Ain't Over Till It's Over R.T. Kendall,2015-07-07 One of the greatest strategies of the enemy is to convince you to give up on your faith If he can't succeed at that then his objective is to persuade you to settle for less than what God has planned for you Don't give up when victory is just around the corner For anyone who has ever felt like throwing in the towel Dr R T Kendall brings divine encouragement Don't lose hope Keep running the race Not only can you finish but you can also finish well It's not over IT'S TIME TO STIR YOUR FAITH TO BELIEVE FOR Miracles that you never thought possible Restoration for the most seemingly unmendable marriages The return of prodigal sons and daughters Healing of bodies hearts and minds Financial provision blessing and much more

The Metaphysics of Free Will John Martin Fischer,1995-10-09 The Metaphysics of Free Will provides a thorough statement of the major grounds for skepticism about the reality of free will and moral responsibility The author identifies and explains the sort of control that is associated with personhood and accountability and shows how it is consistent with causal determinism In so doing our view of ourselves as morally responsible agents is protected against the disturbing changes posed by science and religion

Little Miracle Kate Kerrigan,2015-11-01 How do you break your daughter's heart Little Miracle is a poignant but ultimately uplifting novel that reveals a unique relationship between a mother and her daughter and tells of a woman whose life has been restricted by the mores of duty honour and religion Growing up in 1950s rural Ireland young Eileen is bound by the unspoken rules of her tight knit community church virtue and family above all else So when Eileen in thrall to the church falls pregnant she gives her beloved baby up for adoption Forty years pass and Eileen still harbours her secret That is until she is diagnosed with terminal cancer and her daughter Grace discovers the brother she never knew she had by chance Grace tries to persuade her mother to reconcile but crippled with years of loss Eileen cannot break the spell of shame and regret Originally published as The Miracle of Grace

Humanizing Madness Niall McLaren,2007-01-01 This reference takes each of the major theories in psychiatry and demonstrates conclusively that it is so flawed as to be beyond salvation McLaren shows how the phenomena of mental disorder can be described in a parsimonious dualist model which leads directly to a humanist form of management
